**Sub: Celebration of Jiv Jantu Kalyan Diwas and Animal Welfare Fortnight 2022 -  
Reg.**

Sir/Madam,

The Animal Welfare Fortnight, 202229 will be celebrated throughout the country from 14th January, 2022 to 30th January, 2022 in a grand manner. In this regard, I am directed to inform you that the Animal Welfare Fortnight 2022 shall be celebrated so that the animal welfare issues are highlighted and addressed in a way that more and more people are motivated to join the Animal Welfare Movement. The following activities are suggested to the AWOs / concerned people for implementation during the Animal Welfare Fortnight:

- a. To start training for Goshala personnel to utilise full potential of cow dung and urine for production of bio-gas, vermicompost, bio-pesticides, organic soaps, agarbattis and panchgavya medicines towards self sustenance and generate employment.
- b. To arrange Animal Birth Control (ABC)/Anti Rabies (AR) programme in your town for controlling of stray dog population and rabies to interact with the local bodies for support and co-ordination to make ABC/AR project a grand success.
- c. To rescue sick animals in your locality, take them to a Veterinary Doctor. To announce a campaign called *adopt a homeless pet* and set an example by taking a pet (stray dog/cat) from the streets to your own home to achieve the goal of not having homeless animals.
- d. To start an animal shelter or goshala and get a Veterinary Doctor to treat the animals. To feed and look after them and try to provide homes to homeless animals.
- e. To make pamphlets, on animal laws: translate it into the local language and then give it to the Police and law enforcing authorities and to as many people so that awareness about Animal Welfare laws is spread. To organise a Police Training Camp on the occasion by getting a police officer and a lawyer to address all the SHOs of the city on the animal protection laws.
- f. To give grain and water to the birds. Distribute earthen bowls in various neighborhoods so that people are encouraged to provide food and water to the birds.

- g. To teach people basic vet. first aid. *Hold a first aid class* and show children what to do when they come across an animal in trouble.
- h. To plant large numbers of bird friendly trees like jamun, neem, shahtoot, bargat, peepal, semal so that birds have some place to eat and nest in.
- i. To *start an anti-plastic bag* campaign and ask people not to throw away edible leftovers tied up in plastic bags as many animals, including cows, eat the plastic bags and die. To see if any private company can sponsor small cloth bags which can be distributed free in markets.
- j. Organise medical treatment camp where a majority of the stray animals available. To offer food and medicine for the stray animals on regular basis to full fill the fundamental duty of the citizen.
- k. It is important to ensure that schools be advised to avoid dissection of animals. There are alternatives to dissection. Computer programmes of frog, rat, earthworm, cockroach and pigeon that detail the cardio-pulmonary, digestive, urogenital, nervous, and structural systems.
- l. Milkmen misuse "Oxytocin" injections for drawing milk from cattle. It is illegal under the Food and Drug Adulteration Prevention Act. *Launch an anti-oxytocin drive* to bring to the notice of concerned authorities about any violation of the Rules.
- m. To organize First-Aid camps to sick and injured animals on the roadside and various other places.
- n. To arrange visit to slaughter houses in your area and educate the butchers on humane slaughter and create awareness of Slaughter House Rules to the personnel.
- p. Prevent inclusion of children in the slaughter house jobs at very tender age.

In continuation to the above, it is also informed that the Animal Welfare Board of India has decided to celebrate Vasant Panchami as "**Jiva-Jantu Kalyan Divas**" every year. The vasant Panchami will be celebrated on 5<sup>th</sup> February, 2022.

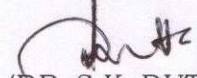

We do hope that the Jiv Jantu Kalyan Divas and Animal Welfare Fortnight Celebrations in January, 2022 will be celebrated in a grand manner to sensitize and create more awareness on Animal Welfare issues among general public, law enforcing authorities and all concerned to will take proactive steps to prevent unnecessary pain and suffering to animals.
