World Rabies Day is observed on 28<sup>th</sup> September globally every year to create awareness which is the key driver for the success of effective rabies prevention. Rabies is a unique zoonotic disease that is fatal but 100% preventable if treated timely. All the animal lovers, NGOs, AWOs and stakeholders to spread the message of “Rabies Free India” by ensuring that the maximum number of stray / pet dogs are sterilized/neutered and vaccinated against Rabies.

The number of human deaths in India from Rabies as projected by WHO is around 20 thousand every year. Elimination of Rabies in Human Beings requires control of Rabies in Dogs. As per WHO guidelines, 70% of country's dog population needs to be

immunized to create herd immunity and to break the chain of transmission of rabies virus.

Talking about the animal Health Sector, under 'The Prevention & Control of Infectious and Contagious Diseases in Animals Act, 2009', animal rabies is a notifiable disease. Though presently we do not have a dedicated control program for combating rabies, there is provision for providing assistance to the States for anti-rabies vaccination, strengthening of State Biological Production Centers and State disease diagnostic Labs, training of vets & para-vets, workshop, surveillance and monitoring of animal diseases, mass awareness program and cold chain maintenance under the Assistance to States for control of animal diseases (ASCAD) and Rashtriya Krishi Vikas Yojana (RKVY) scheme.

The Animal Welfare Board also has a separate 'Scheme for Birth Control and Immunization of Stray Dogs' under which registered NGOs and civic bodies are funded for mass dog anti-rabies vaccination and stray dog sterilization. Several municipal corporations and civic bodies have come forward to support and implement the ABC /ARV program on a participatory basis with AWBI in their respective areas. The AWBI has brought out a manual on "Standard Operating Procedures for Sterilization of Stray Dogs under the Animal Birth Control Program and their Anti-Rabies vaccination", which needs to be strictly followed by all AWOs implementing the ABC Program.

There is an urgent need to tackle the stray dog population with a more effective municipal licensing of pet dogs and awareness campaigns for better and responsible dog

ownership and management practices are needed. This is where dog owners, civic societies, animal welfare and non-government organizations can play a proactive role. The sheer magnitude and logistics of catching, neutering and releasing such a huge number of stray dogs is a big challenge for the successful outcome of the ABC Program.

The burden of rabies can be reduced by promoting and implementing Animal Birth Control / Anti Rabies Program, mass anti-rabies vaccination and education Programs.

Chairman, AWBI spoke on the key achievements of AWBI for controlling the incidence of Rabies and population of stray dogs with the help of AWOs wherein a sizeable number of ABC /AR programmes was facilitated by AWBI. The state of art SOP compiled by AWBI for guidelines of AWOs trained more than 500 Veterinarians, Para vets and Dog Catchers, over 3 lakhs stray dogs sterilized and immunized in the country, 67020 & 185300 dogs were sterilized and vaccinated respectively during 2015-16 to 2016-17 in coordination with Ministry of Health and Family Welfare under National Rabies Control Programme. The incidence of human rabies has considerably declined consequently to the successful implementation of AWBI's Animal Birth Control / Anti Rabies (ABC/AR) Program in several places such as Chennai, Jaipur, Kalimpong, Gangtok, Dehradun, Nainital, Hyderabad, Hisar and Delhi.

Chairman, AWBI suggested that the intensive sterilization and anti-Rabies vaccination of street dogs, Solid and garbage waste management, sustainable and successful ABC/ARV Program by skilled Veterinary Surgeons / Para vets and Humane Dog Catchers, a well-coordinated and executed ABC/ARV Program, Awareness and education is the need of the day to address the street dogs' overpopulation and incidence of Rabies.

In India large population of stray dogs along with a lack of awareness among common people and a lack of surveillance and reporting of animal rabies is the main hindrance to achieving the goal of rabies-free India. Through clearly defined vision, strategic approach, strong resolution and advocacy at all level of society, we will certainly be able to achieve this target.

The animal lovers, animal welfare activists, NGOs and AWOs to spread the message "Rabies Free India" in a befitting manner by ensuring that a maximum number of stray dogs/pet dogs are sterilized /neutered and mass anti-rabies vaccination drive of stray / pet dogs is organized in respective locality/town and public awareness is created in the Society about prevention of Rabies on the occasion of World Rabies Day. *"Let us help the "Man's Best Friend".*

**8. IN THE HIGH COURT OF KARNATAKA: WRIT PETITION NO. 8736 OF 2019 - M/S. COMPASSION UNLIMITED PLUS ACTION VS. THE BANGALORE TURF CLUB AND ANR.**

The Compassion Unlimited Plus Action (CUPA), India has filed the present petition in the Hon'ble High Court of Karnataka at Bangalore, against the overcrowding and bad condition in which the Horses have been kept. Also, against the illegal, arbitrary action of Bangalore Turf club who is also in violation Section 3 and 11 of the PCA, Act,1960. The matter is pending for hearing.

**9. IN THE HIGH COURT OF KARNATAKA: WRIT PETITION NO. 18628 OF 2019- HIGH COURT LEGAL SERVICES COMMITTEE VS. STATE AND OTHERS.**

The High Court Legal Services Committee, has filed the present petition against the State of Karnataka to establish Goshalas in each Taluk. And to provide such as necessary fodder, water, shelter and health care in the Goshalas already existing and that would be established in the State of Karnataka. The High Court *vides* its order dated 02.07.2019 directed the State Government not to close down the Goshalas and cattle camps which are in existence in the sated. Further, *vides* its order dated 05.07.2019 stated that after perusing the status report and other materials produced on record, they are unable to satisfy themselves about the stand taken by the Government and direct the Secretary in charge of the Department of Animal Husbandry and Veterinary Science as well as the Secretary in charge of the Department dealing with Disaster Management to personally remain present in the Court on the next date. It is pointed out that apart from the fact that in the fodder banks, adequate fodder is not available, the State Government is providing only 5 kg of fodder per day per animal which is very insufficient.

The High court *vides* its order dated 16.08.2019 stated that two compliance report is already filed on record and on a conjoint reading of both the reports, it is apparent that the direction issued by this Court regarding the establishment of the cattle camps has not been complied in its true letter and spirit. In fact, the stand taken is

that there are no cattle in many of the cattle camps out of the cattle camps established by the State. This contention cannot be accepted for the simple reason that there is nothing placed on record to show that at village level, the citizens are made aware about the availability of the fodder in the cattle camps as per the orders of this Court. At this stage, the learned Additional Advocate General invited our attention to the public notice dated 15<sup>th</sup> August 2019. Firstly, it is not clear in what manner the State has ensured that the public notice clearly mentioning the availability of fodder as per the directions of the Court reaches the villagers, for whose benefit the said cattle camps are established. Secondly, if such a public notice is issued on 15.08.2019, even assuming that it has been given wide publicity, we wonder how the State has taken a bold stand that there are no cattle in the cattle camps. The State virtually wants to find fault with the directions of this Court for establishment of cattle camps without challenging the same. The petitioner appearing in person in W.P.No.19054/2019 to provide 20 locations of the cattle camps already established in the villages in a sealed cover to the learned counsel appearing for the petitioner in W.P.No.18628/2019. The State Legal Services Authority will instruct the Secretaries of the respective District Legal Services Authority to ensure that either the Secretaries or any responsible Officers or para legal volunteers visit the cattle camps as per the list provided by the petitioner appearing in person with a view to ascertain whether the fodder as directed by the Court and the other facilities are available in the cattle camps. The visit shall be made without notice to any of the officers of the State Government. The Secretary of the petitioner in W.P.No.18628/2019 to compile the report received by the District Legal Services Authority and place the same before the Court in a sealed cover.

The Hon'ble High Court on 24.10.2019 noted that its the order dated 3<sup>rd</sup> May 2019 was never complied by the State in its true letter and spirit. The record and the order of this Court shows that though the State Government claimed that cattle camps were in existence, the same were not found to be in existence in few places. The State Government has already taken liberty to close the number of camps as it is clear even from the affidavit tendered today. As the State Government has already taken a decision to close the cattle camps in various districts, it is for the State Government to take a call. Whether the State Government could have closed the camps without the leave of the Court is an issue which will be dealt with on the next date of hearing. The Hon'ble High Court further directed to the State Government to place on the record the following details: -

- (i) The particulars of cattle camps opened in terms of the order dated 03<sup>rd</sup> May 2019;
- (ii) Out of the cattle camps which were established as per the order dated 03<sup>rd</sup> May 2019, now, how many camps have been closed with all the material particulars, the reasons for closure shall also be set out;
- (iii) The details of the number of cattle camps in existence as on today;

- (iv) All the particulars of service rendered to the cattle, in terms of number of cattle. It must be disclosed whether fodder and feed concentrate as per the directions of this Court was supplied or is being in the cattle camps; and
- (v) The State Government shall also produce on the record the policy, if any, governing the establishment and closure of the cattle camps.

Various order interim order was passed by the Hon'ble High Court of Karnataka in regard to establish of cattle camp. Presently, the Matter is still pending before the Hon'ble High Court of Karnataka.

#### **10. IN THE HIGH COURT OF CHATTISGARH; WRIT PETITION PIL 49/2019- NITIN SINGHVI VS. UOI & ORS**

The Nitin Singhvi filed a case in regard to the Elephant "Ganesh" which was kept in custody of Forest Department and escaped back to the forest but still on chains on the body. The petitioner request to rescue and rehabilitate the Ganesh in the suitable environment and take action against the official responsible.

The High Court of Chhattisgarh vide its order dated 23.09.2019 stated that the information brought on the record by the Department that they have fixed the electronic chip and was watching the movements, taking sufficient precaution and the Elephant chains have been totally removed and he is freely roaming in the Forest. Further, the directed that the step which are being taken to construct the Elephant Rescue and Rehabilitation centre shall be finalised expeditiously as possible and necessary follow up shall be taken to get the clearance sanction by the authorise of the central Government in connection with the further course of action accordingly the same has been disposed of.

## **14. IN THE HIGH COURT OF TRIPURA: WRIT PETITION NO. 2 OF 2018- SRI SUBHAS BHATTACHARJEE VS. THE STATE OF TRIPURA & ORS.**

The Subhas Bhattacharjee field the case against the state of Tripura which was offering animals for sacrifice in the Temple in Tripura such as Mata Sundari and chatur Das Devata temple. These animals are than illegal slaughtering as sacrifice or “bali” without following any legal mandate and against the provisions of the Prevention of Cruelty to Animal Act, 1960. The petition also pointed out whether such sacrifice or bali can be constructed as essential and integral part of religious as protect under Article 25 (1) of the constitution of India.

The High Court of Tripura vide its judgement dated 27.09.2019 stated as answer the question in the petition as under:

*state is officering animals for sacrifice in the Temple in Tripura such as Mata Sundari and chatur Das Devata temple. These animals are than illegal slaughtering as sacrifice or “bali” without following any legal mandate and against the provisions of the Prevention of Cruelty to Animal Act, 1960.*

*[122] “Whether the age long practice of 500 years of sacrificing animals, after stoppage of practice of human sacrifice, in Tripureswari Devi Temple, Udaipur, Gomati District, Tripura can be construed as an essential and integral part of religion, as protected under Article 25(1) of Constitution of India?”*

*The age long practice of a sacrifice of animal, either by the State or by an individual, cannot be said to be an essential part of the religion and as such, is not protected under Article 25(1) for it being against the principle/doctrine of morality and health, as also provisions of the Prevention of Cruelty to Animal Act, 1960.*

*Right to freedom of religion is subject to the rigours of public order, morality, health and the other provisions of Part-III. Sacrifice of an animal in a temple, not being an essential part of religion, is also violative of Article 21 of the Constitution of India.*

*[123] “Whether a religious practice based on a ritual, custom, tenet, tradition, not being an essential part of religion, can be allowed to continue notwithstanding the provisions of the Prevention of Cruelty to Animals Act, 1960 and Article 21(Part – III) & Article 48, 48A and 51A(g) (Part IVA) of the Constitution of India?”*

*In our view, Constitutional values are to be embraced and not to be superseded by personal beliefs. Religious practice, not being an integral and essential part of religion cannot override the provisions, specifically Section 3 of Prevention of Cruelty to Animal Act and other provisions of Part III, Part IV and Part IVA of the Constitution. Section 28 of the Prevention Act merely makes killing for a religious purpose not a punishable crime and more so in the light of the Article 25 does not make it permissible to commit such acts in the temple. Section 28 of the Prevention Act has to be interpreted in the light of Article 21, 48, 48A, 51A(g), 51A(h) and 51(A)(i) of the Constitution.*

Questions of law are thus answered accordingly.

*Having held thus, we allow the petition by issuing the following mandatory directions, prohibiting and banning animal/birds sacrifice in the temples :*

*(a) No person including the State shall be allowed to sacrifice of any animal/bird within the precincts of any one of the temples within the State of Tripura;*

*(b) No person shall sacrifice such animal within the precincts of any of the temples within the State of Tripura;*

*(c) Government of Tripura has proposed development of Devi Tripureswari temple as a favourite international tourist destination. People of all beliefs and faiths are likely to visit in large number. Anyone of the devotees desirous of offering any animal out of personal faith, belief or desire, may do so, but, shall take back the animal and under no circumstance any activity of animal sacrifice shall be permitted to be carried out. Prudently, the Government can earmark land for opening shelter home for rearing such livestock.*

*(d) The District Magistrate & Collectors of the respective districts and more specifically, District Magistrate & Collector, Gomati District, Udaipur as also District Magistrate & Collector, West Tripura District, Agartala under whose jurisdictions Devi Tripureswari temple and Chatur Das Devata temple are situate, respectively, shall forthwith take action for ensuring implementation of the orders; The Superintendent of Police of all the districts shall also ensure strict implementation of the order. Such officers shall be personally liable for implementing the orders;*

*(e) The Chief Secretary, Government of Tripura shall also ensure compliance of the order. Also he shall ensure that at least in two temples i.e Devi Tripureswari temple and Chatur Das Devata temple in Tripura, where act of animal sacrifice is carried out profusely, CC TV cameras are installed forthwith; every month he shall have a soft copy of such video recording placed on this file;*

*(f) Such video recording of the temple(s) shall form part of record of the present petition and shall be constituted as part of the record of the appeal preferred, if any, by any person, including the State;*

*(g) District Magistrate & Collectors of all the districts shall initiate all measures of educating and sensitizing the general public of the constitutional mandate and its importance, relevance and significance, more so, of adopting an attitude of love, humanism and compassion towards all animals/birds;*

*(h) The State Government shall give due publicity and also sensitize the general public of the constitutional values and passing of the order and implementation thereof.*

The PETA, India has filed the present petition in the Hon'ble High Court of Delhi for the realise hippopotamus from the Asiad Circus and to transfer it back to its parent in Sanjay Gandhi National Park in Patna. The AWBI had already taken necessary steps in regard to the above case and in reply to our letter dated 9-4/2005/PCA dated 23.11.2017, the Ministry of Environment, Forest and Climate change vide their letter dated 07.12.2017 has approved the temporary housing of the hippopotamus has to be National Zoological Park, New Delhi.

**21. IN THE HIGH COURT OF DELHI: - WP (C) No. 10600 of 2018 – ANIL DUTT SHARMA Vs. UNION OF INDIA & ORS.**

The Anil Dutt Sharma has filed the present petition against the slaughtering of animals in open areas/street and to draw the focus on the illegal slaughtering of animals and later consequences of the same such as water pollution or environment pollution caused by such activities. The petitioner wants to streamline the slaughtering process and to follow the rules framed under “Animal protection Act”.

Further, he had prayed broader interpretation should be given to Section 28 and to the Qurbani Rules, in furtherance with article 51A(g) of the Constitution of India, so that the same cannot be misinterpreted and as well as the same cannot be misused. That the guidelines must be issued for the slaughtering process even on religious ceremonies so that preventive action can be taken against water pollution or various other issues which are caused due to sacrificing of animals on religious beliefs and as well as punishment should be decided in case the guidelines are not followed or are being misused by any individual. Also, direction to be issued that slaughtering can be done only in slaughter houses not in streets/open places//unlicensed shops/residential places, so that the problems related to water pollution and unhygienic conditions can be controlled till an extent.

The Hon’ble High Court vide its order dated 04.09.2019 stated that it appears that a variety of grievances have been ventilated by the petitioner about illegal slaughtering of animals in open areas/streets/residential premises and later disemboque of biological waste/left out body parts of the animals in the drains causing many diseases and also contamination of water. However, the rules and regulations in existence viz. Prevention of Cruelty to Animals Act, 1960; the Prevention of Cruelty to Animals (Slaughter House) Rules, 2001. Even in Municipal laws, detailed procedure has been laid down for cleanliness and hygiene, required to be maintained by the slaughter houses and petition is in regard to these rules, regulation and guidelines not being properly followed.

Further, the Hon’ble High Court in view of the existence of enough laws, rules, regulations and standards, as stated hereinabove, we see no reason to give further guidance to the respondents as to how to execute these laws. As and when any specific violation of these laws by any specific persons/institutions is brought to the notice of the respondents, action can always be initiated against the violator. General allegations regarding possible violation of the aforesaid rules and regulations in existence by several persons, cannot be decided by this Court. It is expected from the respondents that they shall take requisite actions against any violation of the Prevention of Cruelty to Animals Act, 1960 or Prevention of Cruelty to Animals (Slaughter House) Rules, 2001. If any person/slaughter house violates the conditions of licence or any Municipal laws, the actions shall be initiated against the violator by the respondents as per rules, regulations, Municipal laws, and Government policies applicable to the facts of the case after giving adequate opportunity of being heard to the violator. The writ petition in view of above observation was disposed off.

## **CONCLUSION**

The Animal Welfare Board of India has completed 57 years of service in the promotion of animal welfare and prevention of cruelty to animals. During the year, the activities of the Board continued to extend throughout the country. The Board has conducted various programs to bring about awareness of humane education and animal welfare laws. The Board has been continuously engaged to save animals from cruelties meted out to them and to provide necessary help when it is found in distress through its recognized Animal Welfare Organizations / representatives. The number of AWBI recognized Animal Welfare Organisations has been increased in the number and thus saving more animals from the cruelties being suffered by them. The Board has been trying at its level best to address the issues pertaining to man-animal conflicts in a humane manner and standing forth to creating awareness about their co-existence. Lack of effective enforcement of the laws against cruelties inflicted to animals still needs more attention. The establishment of effective and functional Societies for Prevention of Cruelty to Animals (SPCAs) in each and every district of the country and robust State Animal Welfare Boards (SAWBs) in each state are the need of the hour and various correspondence are made with the officials of the State and District authorities.

The complaints being received by the Board are responded on priority by issuing correspondence to the authorities concerned or forwarded to the law enforcement agencies to take action and to enforce the law and bring justice to the animals. Prompt and effective responses of the enforcement agencies of the State Governments, Local bodies, District Collectors and Secretaries to Government Department of Animal Husbandry, will definitely ensure that cruelties to animals will be on the decline. The Board has used the grants-in-aid made available by the Government for providing welfare measures to the animals sheltered in the organizations. We have no doubt that with higher allocation of grants to the Board through effective utilization of fund and proper monitoring of schemes, the spreading of the message of love and compassion towards the animal kingdom is bound to be more expansive and effective, thereby reducing and mitigating their misery and suffering. Thus our animal friends also can live happily on the planet earth. Establishment of more and more animal welfare organizations will ensure proper care and management of stray animals. The AWOs should try and work towards self reliance and should become viable so that they need not to be dependent on the grant-in-aids from the Govt.

## **Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of the Animal Welfare Board of India, Ballabgarh for the year ended 31 March, 2020**

We have audited the Balance Sheet of the Animal Welfare Board of India, Ballabgarh, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 19 (2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read together with the Rule 24 (2) of the Animal Welfare Board (Administration) Rules 1962. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports / CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An Audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i) We have obtained all the information and explanations, which to be the best of our knowledge and belief were necessary for the purpose of our audit;
- ii) The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format approved by the Ministry of Finance, Government of India.
- iii) In our opinion, proper books of accounts and other relevant records have been maintained by the Animal Welfare Board of India, Ballabgarh in so far as it appears from our examination of such books.
- iv) We further report that:

**A. Income and Expenditure Account****Other Administrative Expenses (Schedule 21) : ₹ 38.72 lakh**

Above includes Website Development Expenses amounting to ₹ 8.91 lakh which should have been capitalized under the head Software. This has resulted in understatement of Fixed Assets and overstatement of Expenditure for the year by ₹ 7.13 lakh (₹ 8.91 lakh less depreciation ₹ 1.78 lakh) each.

**B. General**

**B.1** The rate of depreciation on Software and Computer / Peripherals had been revised to 40 *per cent* as per the Income Tax Act w.e.f. the year 2017-18. However, depreciation on Software and Computer / Peripherals has been charged at the rate of 60 *per cent*, resulting in excess charge of depreciation since 2017-18.

**B.2** Investment of CPF funds of ₹ 135.80 lakh in term deposits of State Bank of India is in violation of Govt. of India instructions vide notification No.11/14/2013-PR dated 02 March 2015, laying down investment pattern to be followed by Non Government Provident Funds, Superannuation Funds and Gratuity Funds w.e.f. April 2015.

Despite being pointed out in earlier Separate Audit Reports, no corrective action was initiated by the Board.

**B.3 Regularity in Payment of New Pension Scheme**

The Board had three staff members namely Dr. R. Sumathy, Veterinary Surgeon (joined in 2013), Ms. Prachi Jain, Assistant Secretary (joined in 2018) and Shri S. Gopinath, Driver (joined in 2016) who were falling under the purview of NPS. The Board has failed to extend benefits of NPS to these staff members, as the Board is not registered with NSDL. Further, it was noticed that these staff members were not covered in any pension scheme.

**B.4** Fixed deposits amounting to ₹ 54.29 lakh had been renewed but the same had not been passed through Cash Book.

**C. Grant-in-Aid**

Out of the total Grants of 700.36 lakh (including unspent balance of ₹ 18.13 lakh of the previous year and Grant received during the year 2019-20 of ₹ 682.23 lakh), the Board utilized a sum of ₹ 664.15 lakh, leaving a balance of ₹ 36.21 lakh as unutilized Grant as on 31.03.2020.

**D. Management letter**
