The AWBI had filed a Special Leave Petition in the Hon'ble Supreme Court of India to stay the order passed by the Hon'ble High Court of Bombay to effect that the Municipal Commissioner could order the killing of 'nuisance' dogs even though the Animal Birth Control (Dogs) Rules, 2001 are to the contrary. Recently, in 2022, the Hon'ble Supreme Court vide its order dated 12.10.2022 has directed that the Animal Welfare Board file an affidavit enclosing therewith data/statistics with regard to dog bites during the last seven years in different States and prominent cities of the States. 27. **SPECIAL LEAVE TO APPEAL (C) No. 2677/2022: - SHARMILA SANKAR & ORS. VS. UNION OF INDIA & ORS.**

The above petition is arising out of the final judgment and order dated 10.01.2022 in Writ Petition No. 9513 of 2021 passed by the Hon'ble High Court of Judicature at Bombay wherein the High Court directed for seeking clarification from the Hon'ble Supreme Court on its order dated 18.11.2015 in SLP 691 of 2009.

The Petition was tagged to be heard with the Civil Appeal No. 5988 of 2019 titled Animal Welfare Board of India Vs. People for Elimination of Stray Troubles & Ors.

Thereafter the matter was listed on 12.10.2022 wherein the Supreme Court opined that the order of this Court dated 18.11.2015 viz. the penultimate paragraph which states that "*we would also request all the High Courts not to pass any order relating to the 1960 Act and the 2001 Rules pertaining to the Dogs*" requires a clarification. The Supreme Court clarified that they do not think it is the intent of the said paragraph that all writ petitions and proceedings before the High Courts would be stayed and no effective and required orders will be passed by the High Courts in cases pertaining to the stray dogs.

The Supreme Court further clarified that there are and would be individual cases that raise grievances relating to the applicability and enforcement of the Prevention of Cruelty to Animals Act, 1960 and The Animal Birth Control (Dogs) Rules, 2001 as well as the State Laws which may require urgent hearing and decisions would depend upon relevant prevailing facts in an area or location. Parties should not be compelled to approach this Court at Delhi when the issues raised can be considered by the High Courts.

Accordingly, in order to avoid any ambiguity and doubt, the Supreme Court clarified that the order dated 18.11.2015 does not bar or prohibit the authorities/ individuals including associations and organizations from approaching the jurisdictional High Courts for appropriate relief in regard to the PCA Act, 1960 and Animal Birth Control (Dog) Rules, 2001. The High Courts are free to examine and decide these cases in accordance with the law and will keep in mind the orders passed by this Court and the precedents.

The matter stands disposed of.

The above petition was filed against the impugned final judgment and order dated 20-10-2022 in CWP No. 562/2006 passed by the High Court of Judicature at Bombay at Nagpur, regarding feeding of stray dogs.

The Hon'ble Supreme Court of India vide its order dated 11.11.2022 added the AWBI as respondent no 7 and vide its order dated 12.11.2022 AWBI and Nagpur Municipal Corporation were directed to file their response and the impugned order was dated 20.10.2022 was stayed. The Supreme Court further directed the Municipal Corporation to ensure and take the required steps to enable the general public to feed the stray dogs at appropriate locations demarcated/identified by them. Equally, the Municipal Corporation is to take steps to deal with the issue of 'nuisance' caused by ferocious and aggressive stray dogs, in accordance with the law. The general public must ensure that public nuisance is not caused by the feeding of stray dogs. Further, till the next date of hearing, it will be open to the Municipal Corporation to note down the names and details of the dog feeders, in case public nuisance or endangerment is caused because of their conduct. However, coercive steps in terms of fines as directed by the High Court, would not be taken without permission of this court.

It was clarified that the proceedings before the High Court will continue. The High Court will also be entitled to hear the applications for modification, review, or appropriate directions, which, we are informed, are pending before the High Court. The matter was tagged with the Civil Appeal No. 5988 of 2019 titled Animal Welfare Board of India Vs. People for Elimination of Stray Troubles Ors.

The same was challenged in the Above petition.

The above petition was filed in regard by the petitioner in regard to the blatant disregard to the statutory provisions notified under the Prevention of Cruelty to Animals Act, 1960 and the rules framed thereunder by not setting up proper and functional SPCA in each district of Punjab and Haryana even after direction of the Supreme Court of India and several advisories of the AWBI.

That the High Court vide its order dated September 1, 2022, noted that the State Government was told to provide a status report when the notice was given. However, no such report has been given. Also, they didn't explain why they haven't acted on Rule 4 of the 2001 Rules and the orders from the Supreme Court. The petitioner had to wait over 20 years to come to this Court to ask for the rules to be followed. The Court directed the Principal Secretary/Additional Chief Secretary of the Animal Husbandry Department to come to the next hearing and explain why they haven't followed the Statutory provision and the Supreme Court's directions.

Then, on November 17, 2022, as per the September 1, 2022 order, a status report was filed by Amneet P. Kumar, Commissioner, and Secretary to the Government of Haryana, Animal Husbandry and Dairying Department, on behalf of the State of Haryana. However, the Court decided that it was important to verify the facts in the reports from Haryana and Punjab by sending Local Commissioners to different districts.

The presence of the Principal Secretaries to the Departments of Animal Husbandry, Fisheries, and Dairy Development for Punjab and Haryana was not needed until further notice.

Later, on December 20, 2022, the High Court directed the Animal Welfare Board to submit an affidavit with details about the funds they received and how they were used, along with their programs for fulfilling their responsibilities under the law.

On February 15, 2022, the Animal Welfare Board of India must review the report and say if the State Governments need to fix the issues that may be pointed out in the report.

All the petitions are presently pending before the Hon'ble High Court of Punjab and Haryana.

92. CIVIL WRIT PETITION NO. 24122 OF 2021: - COMPASSION FOR ANIMALS WELFARE ASSOCIATION VS. ANIMAL WELFARE BOARD OF INDIA & ORS

The above petition was filed by the petitioner against a letter from the Animal Welfare Board of India dated February 25, 2021. The letter stated that Animal Welfare Organizations (AWOs) need separate permission for each Animal Birth Control/Anti-Rabies (ABC/AR) program and required details about their infrastructure for these programs. A spot inspection by the Animal Welfare Board of India was also needed. AWOs were told to get permission for ABC/AR programs, and doing these programs without specific permission may entail the withdrawal of existing recognition.

On November 24, 2022, the High Court directed the Animal Welfare Board of India to show the status of various applications from the petitioner seeking approval of the project. They also asked for an affidavit explaining the need for separate permissions for each project. The Court also wanted to know what steps were taken to enforce proper infrastructure by the State Government and how the Animal Welfare Board of India assessed the impact of their guidelines. The State Government was also asked to explain why they took away the petitioner's security money when the petitioner couldn't start a project due to lack of infrastructure.

Then, on January 12, 2023, the High Court noted that the petitioner's AWO had recognition for some ABC/AR programs, but now the respondents say they need specific permission for each program as per the letter dated 25.02.2021. The Animal Welfare Board of India wanted to inspect the infrastructure provided by local authorities. The petitioner argues that it's the local authority's responsibility to provide infrastructure. They also pointed out that insisting on infrastructure before ABC/AR programs is impractical, especially in rural areas where camps are held. This delay has led to more stray dogs, posing a danger to people. The State Government tried to resolve this with the Animal Welfare Board of India, but there was no solution.

Given the situation, the High Court stayed the AWBI letter dated February 25, 2021, that required AWOs to get fresh permissions for each project. Communication from the State of Punjab based on this circular was also stopped. The State Government should ensure that the Animal Birth Control (Dogs) Rules, 2001 are implemented. A monitoring committee will ensure that agencies following ABC/AR programs meet legal requirements and guidelines. The Animal Welfare Board of India and the State of Punjab will provide updates on their actions to implement the Animal Birth Control (Dogs) Rules, 2001 and prevent dog bites/rabies.

The petition is presently pending before the Hon'ble High Court of Punjab and Haryana.

93. CIVIL WRIT PETITION NO. 20158 OF 2021: - ABHISHEK BHATEJA VS. UNION OF INDIA & ORS

The above petition was filed by the petitioner against the impugned order dated 07.03.2017 as well as the order dated 26.04.2018, whereby visiting time for the animal lovers has been re-scheduled thereby allowing the animal lovers/volunteers

to visit SPCA, Chandigarh for two hours in the summers 10.00 A.M. to 12.00 P.M. in the morning and for two hours in the evening between 6.00 P.M. to 8.00 P.M. During winters visiting time from 10.00 A.M., to 12.00 P.M. in the morning and from 5.00 P.M. to 7.00 P.M. in the evening for volunteers has been scheduled. The Petitioner has also prayed for staying the operations of impugned orders dated 07.03.2017 and 26.04.2018 during the pendency of the present writ petition.

The Hon'ble High Court issued a final order on April 7, 2022, stating that the authorities should make necessary corrections to improve the welfare of the animals at SPCA, Sector 38, Chandigarh. They noted that the timing schedule should be reconsidered based on the schedule in place before the challenged orders. This is particularly important considering the state of affairs at SPCA Chandigarh, as per inspection reports and the facts presented in the case.

The Court decided to dispose of this writ petition by asking the authorities to issue appropriate orders in line with the law. Until then, they allowed animal lovers, social organizations, and volunteers to continue feeding and taking care of the animals based on the norms and schedule in place before the challenged orders. If the competent authority decides that a new visiting schedule needs to be established, they should involve all stakeholders, including animal lovers and volunteers, in the decision-making process according to the law. During this period, the enforcement of the challenged orders will be put on hold, allowing animal lovers, volunteers, and organizations to follow the previous schedule.

The petition is dismissed as withdrawn along with the pending applications.

The petition is presently pending before the Hon'ble High Court of Punjab and Haryana

IV. HIGH COURT OF BOMBAY

95. WRIT PETITION (C) No. 331 of 2021 - Hemant Basin VS. UNION OF INDIA & ORS. AT GOA BENCH

The present Writ petition is filed by the petitioner against the impugned notice dated 30.12.2020 and 02.08.2021 issued by the SPCA, Goa, which pertained to alleged poor conditions.

The Hon'ble High Court, vide in its order dated September 23, 2022, recognized a broader concern related to the necessity of establishing appropriate guidelines to manage the large population of street dogs and pets. This action is deemed essential under the Prevention of Cruelty to Animals Act, 1960, and the associated rules and regulations. It was highlighted that currently, no guidelines are in place, but the

government is actively considering this matter and is expected to reach a decision soon.

Drawing upon the precedent set by the Delhi High Court in the case of Dr. Maya D. Chablani vs. Radha Mittal & Ors., the High Court emphasized the urgency for the State of Goa to address this issue promptly. The State Government, specifically the Director of Animal Husbandry is entrusted with making decisions in this regard. Considering the critical need for a swift resolution, the Directorate of Animal Husbandry was directed to treat the present Writ Petition as a representation. They are to hold a hearing involving the petitioner and all relevant stakeholders and make an appropriate decision regarding the formulation of guidelines or rules. This decision is to be reached within a period of six weeks from the date of the order, with a copy of the decision provided for the record.

The present petition has been disposed of by the Hon'ble High Court with the above observations.

96. WRIT PETITION (C) No. 9513 OF 2021 - SHARMILA SHANKAR & ORS. V. SEAWOOD ESTATE LTD. & ORS

The above petition has been filed by Ms. Sharmila Shankar raising concerns about the mistreatment of stray animals within society and the harassment faced by individuals who feed these animals. The petitioner highlighted incidents where dogs were not allowed to be properly fed or cared for due to the society's management.

The Hon'ble High Court after due consideration passed the judgment dated 20.03.2023, wherein the Hon'ble High court referred to Clause 20 of the Animal Birth Control Rules, 2023 Rules, determining that the society falls under the definition of "Apartment Owner Association." The Court noted that the rules require provisions for feeding spots and defining food areas for stray dogs within such associations. The Court emphasized that even non-human species have constitutional protections, citing the Supreme Court's decision in Animal Welfare Board of India vs. A. Nagaraja & Ors. The Court established that every species has the inherent right to live and be protected under the law.

The Hon'ble High Court highlighted that the exhaustive legislative framework provided by the 2023 Rules addresses disputes regarding feeding stations and the obligations of residents' welfare associations. The Court concluded that management, rather than rights, is the main issue now, and the rules outline a defined procedure for it and the same needs to be implemented.

"If this is the architecture of the 2023 Rules, then clearly there is no issue for us to decide or which remains to be decided"

The present petition has been disposed of by the Hon'ble High Court with the above observations.

CONCLUSION

The Animal Welfare Board of India has completed 60 years of service in the promotion of animal welfare and prevention of cruelty to animals. During the year, the activities of the Board continued to extend throughout the country. The Board has conducted various programs to bring about awareness on animal welfare laws. The Board has been continuously engaged to save animals from cruelties meted out to them and to provide necessary help when it is found in distress through its recognized Animal Welfare Organizations / representatives. The number of AWBI recognized Animal Welfare Organisations has been increased and thus saving more animals from the cruelties being inflicted to them. The Board has been trying at its level best to address the issues pertaining to man-animal conflicts in a humane manner and standing forth to creating awareness about their co-existence. Lack of effective enforcement of the laws against cruelties inflicted to animals still needs more attention. The establishment of effective and functional Societies for Prevention of Cruelty to Animals (SPCAs) in each and every district of the country and robust State Animal Welfare Boards (SAWBs) in each state are the need of the hour and various correspondence are made with the officials of the State and District authorities.

The complaints being received by the Board are responded on priority by issuing correspondence to the authorities concerned or forwarded to the law enforcement agencies for their further action and to enforce the law and bring justice to the animals. Prompt and effective responses of the enforcement agencies of the State Governments, Local bodies, District Collectors and Secretaries to Government Department of Animal Husbandry, will definitely ensure that cruelties to animals will decline. The Board has utilized the grants-in-aid made available by the Government for providing welfare measures to the animals sheltered in the organizations. We have no doubt that with higher allocation of grants to the Board through effective utilization of fund and proper monitoring of schemes will help the Animal Welfare Organization to work more effectively for welfare of animals. The spreading of the message of love and compassion towards the animal kingdom is bound to be more expansive and effective. Thus, our animal friends can also live happily on the planet earth. Establishment of more and more animal welfare organizations will ensure proper care and management of stray animals. The AWOs should try and work towards their self sustainability to become viable so that they need not to be dependent for seeking funds from the Government agencies, thus, could reduce the number of stray cattle and other animals roaming on the roads.
