The writ petitions have been filed by the Animal Welfare Board of India, challenging the notification dated 7th January 2016, issued by the Ministry of Environment, Forest and Climate Change. This notification, under the powers conferred by Section 22 of the Prevention of Cruelty to Animals Act, 1960, prohibited the exhibition or training of bulls as performing animals. However, an exception was made, allowing bulls to continue being trained for events such as Jallikattu in Tamil Nadu and Bullock Cart Races in Maharashtra, Karnataka, Punjab, Haryana, Kerala, and Gujarat, in accordance with customs and traditional practices.

Thereafter, a series of writ petitions, including W.P. (C) Nos. 23 of 2016, 24 of 2016, 25 of 2016, and others, along with SLP (C) Nos. 3528 of 2018 and 3526-3527 of 2018, were instituted before a Division Bench of the Supreme Court. These petitions challenged the legality of the said notification and sought compliance with the Court's earlier directions in the A. Nagaraja case.

The Hon'ble Court, on 2nd February 2018, referred the matter to the Chief Justice to constitute a Bench of five judges. The matter was briefly heard on the 6th, 7th, and 8th of December 2022 by this Constitution Bench. After hearing all the parties involved, the Court allowed them to submit a collective compendium of arguments within a week. The matter was heard, and the judgment was subsequently reserved by the Five-Judge Constitution Bench.

Further, the Supreme Court, on 18th May 2023 delivered a unanimous judgment upholding the traditional practices of Jallikattu, Kambala, and Bailgada Sharyat. The Court dismissed the petitions that challenged the amendments made by Tamil Nadu, Karnataka, and Maharashtra to the Prevention of Cruelty to Animals Act, 1960, which permitted these practices to continue. The detailed judgement has been uploaded on the AWBI's Website as well as Hon'ble Supreme Court Website.

All the above petitions are disposed of.

The Animal Welfare Board of India (AWBI) filed a Special Leave Petition (SLP) in the Hon'ble Supreme Court of India to challenge the order passed by the Hon'ble High Court of Bombay. This order allowed the Municipal Commissioner to authorize the killing of "nuisance" dogs, which was contrary to the provisions of the Animal Birth Control (Dogs) Rules, 2001.

The Hon'ble Supreme Court stayed the operation of the Bombay High Court's final order dated 19th December 2008, and several subsequent orders have been issued since then. The Supreme Court permitted the filing of objections by proposed respondents, if they had not already been submitted, and granted applications for the deletion of certain respondents, as no relief was sought against them. In Civil Appeal Nos. 5972/2019 and 6552/2019, the appellants were directed to serve the unserved respondents within four weeks. In Civil Appeal No. 6552/2019, specific steps were

ordered to be taken within four weeks due to the demise of Respondent No. 4. The appellants in other matters were given a final extension of four weeks to complete service, with instructions that any cases with incomplete service would be segregated before the next hearing, scheduled for 10th January 2024.

Furthermore, on 12th July 2023, the Court directed that copies of applications be exchanged among the parties, with intervenors invited to submit their suggestions.

The SLP and other connected matters are currently pending before the Hon'ble Supreme Court of India

27. SPECIAL LEAVE TO APPEAL (C) No. 35297/2022: - SWATI SUDHICHANDRA CHATTERJEE & ORS. VS. VIJAY SHANKARAO TALEWAR & ORS.

The above petition was filed against the impugned final judgment and order dated 20-10-2022 in CWP No. 562/2006 passed by the High Court of Judicature at Bombay at Nagpur, regarding feeding of stray dogs.

The Hon'ble Supreme Court of India, by its order dated 11th November 2022, added the Animal Welfare Board of India (AWBI) as Respondent No. 7. By its order dated 12th November 2022, the AWBI and Nagpur Municipal Corporation were directed to file their responses, and the impugned order dated 20th October 2022 was stayed. The Supreme Court further directed the Municipal Corporation to take the necessary steps to enable the general public to feed stray dogs at appropriate locations demarcated or identified by them. Additionally, the Municipal Corporation is required to address the issue of "nuisance" caused by ferocious and aggressive stray dogs in accordance with the law. The general public must ensure that feeding stray dogs does not result in public nuisance. Furthermore, until the next date of hearing, the Municipal Corporation may note the names and details of dog feeders if public nuisance or endangerment arises due to their actions. However, coercive measures in the form of fines, as directed by the High Court, will not be implemented without the permission of this Court.

It was clarified by the Apex Court that the proceedings before the High Court would continue. The High Court is also entitled to hear applications for modification, review, or appropriate directions, which are reportedly pending before the High Court. The matter was tagged with Civil Appeal No. 5988 of 2019, titled Animal Welfare Board of India Vs. People for Elimination of Stray Troubles and Others.

Accordingly, the SLP, along with the other connected matters, is now pending before the Hon'ble Supreme Court of India.

28. WRIT PETITION NO. 16917 of 2020: - People's Charioteer Organization (PCO) VS. Union of India & ors

The writ petition, W.P.(C) No. 16917 of 2020, was heard by the Supreme Court of India. The petitioners, the People's Charioteer Organization (PCO) and another individual, filed the case under the public interest litigation (PIL) section. They sought relief under Article 32 of the Constitution of India, which allows individuals to directly approach the Supreme Court for the enforcement of the fundamental rights of animals.

The case was presented before a bench comprising Hon'ble Justice B.R. Gavai and Hon'ble Justice Vikram Nath on 29th March 2023. The petitioners, representing themselves, sought permission to argue their case. However, despite being connected via video conferencing, the petitioner-in-person did not respond during the hearing.

The Supreme Court of India upon reviewing the plea, concluded that the relief sought by the petitioners could not be granted under its extraordinary jurisdiction. Consequently, the writ petition was dismissed, and any pending applications related to the case were also disposed of.

LUMPY SKIN DISEASE:

- 29. WRIT PETITION NO. 872 OF 2022: - ASHUTIOSH BANSAL VS. UNION OF INDIA & ORS**
- 30. WRIT PETITION NO. 865 OF 2022: - ARYAVARTA MAHASABHA FOUNDATION VS. UNION OF INDIA & ORS**

The present writ petition (Civil) was filed by the petitioner solely in the interest of the nation, requesting that cows and cattle be protected from Lumpy Skin Disease (LSD), which is causing a significant number of deaths among cows and other cattle in many states across India. The petitioner also sought the enactment of legislation for the protection of cows and cattle, as well as the implementation of measures to combat Lumpy Skin Disease (LSDV) affecting them.

The Hon'ble Supreme Court, while considering this matter, issued a notice to the Union of India for the limited purpose of determining whether a National Health Plan has been formulated to prevent and cure the Lumpy Skin Disease virus (LSDV) among cows and other cattle. The application for the impleadment of the Union of India through the Ministry of Fisheries, Animal Husbandry & Dairying, Department of Animal Husbandry & Dairying was listed on 13th February 2023 and was subsequently allowed.

The Hon'ble Supreme Court noted that the Union of India and the Animal Welfare Board of India, in their counter-affidavits, stated that the matter falls within the purview of the states. They further indicated that guidelines and policy circulars have been issued over time, resulting in approximately 8.16 crore cattle being vaccinated.

Various states, including Rajasthan, Maharashtra, Madhya Pradesh, Gujarat, Haryana, Punjab, and the National Capital Territory of Delhi, submitted counter-affidavits outlining measures taken to control the spread of LSDV. These measures included timely treatment, vaccination, disinfection, and the establishment of test laboratories. The states also provided information on their budgetary allocations and expenditures, which varied depending on cattle populations and financial conditions.

The Hon'ble Supreme Court acknowledged the efforts made by the states and concluded that the current proceedings could be closed, allowing the petitioner to approach the Central or State Governments for any related future issues. The Court expressed confidence that the State Governments would promptly address any concerns raised by the petitioner.

Regarding the petitioner's request for policy formulations on indigenous cows, the use of cow urine and dung, and the implementation of a Pashu Aadhar numerical database, the Court granted the petitioner the liberty to submit a comprehensive representation to the Union of India for appropriate policy decisions.

Accordingly, both writ petitions were disposed of, along with any pending applications. The writ petitions are now disposed of.

31. WRIT PETITION NO. (C) 202 OF 1995: - T.N. GODAVARMAN THIRUMULPAD VS. UNION OF INDIA AND ORS

The present petition revolves around the construction of a health and eco-resort on two plots of land in Pachmarhi, Madhya Pradesh, by M/s Shewalkar Developers Ltd. The petitioner, Shewalkar Developers, approached the Supreme Court after its request to the Central Empowered Committee (CEC) for permission to construct the resort was denied. The land in question, Plot Nos. 14/3 and 14/4, was purchased in 1991, and the company claimed that it was not part of the Pachmarhi Wildlife Sanctuary. However, the state government maintained that the land fell within the sanctuary limits, preventing any commercial activity without court permission.

The case has a lengthy legal history, with several conflicting decisions regarding the ownership and usage rights of the land. In 2000, the Civil/Nazul area of Pachmarhi town, where the land is located, was excluded from the sanctuary. Despite this, the CEC denied Shewalkar Developers' application based on a 2010 affidavit from the state government, which asserted that the land remained part of the sanctuary and that its purchase violated the Wildlife Protection Act of 1972 and the welfare of wildlife. The case also involved parallel litigation concerning other transactions related to the same land, adding complexity.

The Supreme Court took note of the applicant's proprietary rights and acknowledged that the mutation of the land in the company's name had not been challenged in any court of law. The Court also recognized that similar resorts existed in the area.

Ultimately, it ruled that Shewalkar Developers could apply for construction permission, provided that the application adhered to the provisions of the 2017 Eco-Sensitive Zone (ESZ) notification, which restricts new construction in such zones. The decision on the application would be made by the CEC or a competent local authority.

Furthermore, the Supreme Court noted that the activities on the plot would be subject to the outcome of a pending writ appeal in the Madhya Pradesh High Court concerning the ownership rights of Dennis Torry, the original owner of the land. In the meantime, the application would be decided within two months, with the developer retaining the right to challenge any adverse order.

The petition is disposed of

II. HIGH COURT OF DELHI:

Community Dog Feeding.

32. WRIT PETITION (C) NO. 14157 OF 2022: - SAVITA MISHRA AND ORS VS COMMISSIONER OF POLICE AND ORS.

The above writ petition was filed by Savita Mishra and another party seeking directions to the respondents for facilitating the feeding of stray dogs in the locality of Jagriti Enclave, New Delhi, and to establish designated feeding spots for the dogs.

The Hon'ble High Court, in its order dated 27.07.2023, observed that the Central Government has implemented the Animal Birth Control Rules, 2023, under the Prevention of Cruelty to Animals Act, 1960, which include provisions for feeding community animals. Rule 20 of the said Rules outlines the responsibilities of local bodies and associations in designating feeding spots and times, and forming a committee to resolve conflicts regarding animal feeding. As statutory regulations are now in place, the court found no need for further orders and disposed of the writ petition. However, it granted the petitioners the liberty to pursue remedies under the Rules if aggrieved by any inaction from the concerned authorities.

The petition is disposed of.

33. WRIT PETITION (C) NO. 10743 of 2022: - YASHPAL MIGLANI VS M.C.D. AND ORS

The above writ petition was filed by the petitioners regarding the feeding of stray animals in the locality of Motia Khan, Paharganj, New Delhi, and the removal of an alleged illegal and unauthorized dog shelter house.

The petitioners contended that individuals were feeding stray animals and constructing temporary shelters in the area, which was causing nuisance and was opposed by the local residents. The Animal Welfare Board of India (AWBI) suggested the formation of an Animal Welfare Committee, as directed in the judgment of the Hon'ble High Court of Delhi in CS(OS) No. 277/2020, titled *Dr. Maya D. Chablani vs. Radha Mittal*.

The Hon'ble High Court requested the Municipal Corporation of Delhi (MCD) to replies to be brought on the records and 22.02.2024 the applicant was given liberty to file a rejoinder to CM. APPL.66791/2023.

The Petition is presently pending before the Hon'ble High Court of Delhi.

PET SHOP RULES AND SAWB OF DELHI

35. **WRIT PETITION NO. 7467 OF 2018 AND CIVIL MISC. APPLICATION 53156 OF 2018 AND 48983 OF 2019 AND 5115 OF 2021: - GAURI MAULEKHI VS. DELHI ADVISORY BOARD FOR ANIMAL WELFARE**
36. **WRIT PETITION NO. 16748 OF 2022: - PET LOVERS ASSOCIATION (REGD.) VS. UNION OF INDIA & ORS.**

The above matter was filed by the plaintiff because the Government of Delhi has failed to fulfill its obligations regarding the inspection of pet shops, and the licensing regime has not been enforced. It is submitted that there is non-compliance with the Prevention of Cruelty to Animals Act, 1960, and the Wildlife (Protection) Act, 1972, as well as non-compliance with the statutory rules. It is also noted that the statutory bodies responsible for enforcing the provisions of the aforementioned Acts have not been constituted by the respondent.

The plaintiff filed the case against the Government of Delhi for its failure to inspect pet shops and enforce the licensing regime. There was non-compliance with the Prevention of Cruelty to Animals Act, 1960, the Wildlife (Protection) Act, 1972, and related statutory rules. Additionally, it was observed that the statutory bodies responsible for enforcing these provisions had not been established by the respondent.

The Hon'ble High Court, after detailed hearings vide its order dated 21st November 2022, directed the Government of NCT of Delhi (GNCTD) to inform the Court about how the Prevention of Cruelty to Animals (Pet Shop) Rules, 2018, are being implemented and enforced. However, in its order dated 14th March 2023, the Court noted that the GNCTD had failed to provide specific information on the enforcement of these rules. Consequently, the Court directed Director of the Animal Husbandry

Unit Development Department of GNCTD, to appear before the Court with the original file related to the matter.

The Court also set the next hearing for 7th August 2024, alongside W.P.(C) 16748/2022, and accepted the undertaking furnished on behalf of GNCTD to comply without objection.

The petitions are currently pending before the Hon'ble High Court of Delhi.

Consequently, the status of all circus animals was reinspected, and the report was submitted to the High Court of Delhi. Thus, the Animal Welfare Board of India (AWBI) filed an additional affidavit with the Hon'ble High Court, disclosing the whereabouts of all the performing animals kept in various circuses throughout India.

The petitions are currently pending before the Hon'ble High Court of Delhi.

The case is scheduled for the next hearing on 22nd November 2023. Additionally, Dr. Aman Hingorani, representing the People for Ethical Treatment of Animals (PETA) India, mentioned a related order dated 1st May 2023 in W.P.(C) 4379/2020, where steps are being taken by the Union of India to publish rules prohibiting the use of animals in circuses. The Respondent was directed to file a status report on this matter.

Furthermore, on 23rd November 2023, counsel for the Petitioner sought to withdraw the writ petition, stating that the issues raised had been resolved. Consequently, the writ petition was dismissed as withdrawn, along with any pending applications

The petition is disposed of.

The Hon'ble Supreme Court, in its order dated 05.08.2016, transferred four petitions to the Hon'ble High Court of Delhi while directing the Government of India to finalize the Prevention of Cruelty to Animals (Egg Laying Hens) Rules. To facilitate this process, the Court instructed the Government to convene a meeting with all stakeholders, including the petitioner (the Animal Welfare Board of India), public activists, and poultry federations/committees, in September 2016. This meeting was aimed at considering the viewpoints of all concerned while examining the rules.

The Hon'ble High Court, on 24th April 2023, allowed applications for amendments in multiple writ petitions (W.P.(C) Nos. 9056/2016, 10990/2016, and 9622/2016). The amended petitions were to be placed on record, and the respondents were granted four weeks to file their replies. The next hearing was set for 30th May 2023, canceling the previously scheduled date of 17th May 2023.

The Hon'ble High Court Subsequently, on 4th September 2023, noted that some respondents had yet to file their counter-affidavits, and rejoinders were pending. The court granted an additional four weeks to complete pleadings and scheduled the next hearing for 16th November 2023. During the hearing on 16th November, counsel for the petitioners sought an adjournment, which was granted, and the matter was re-listed for 22nd February 2024. The court directed all parties to file short written submissions (not exceeding three pages) and submit relevant judgments one week before the next hearing.

On 14th March 2024, Dr. A.M. Singhvi, Senior Advocate, was heard in part through a virtual hearing. However, due to connectivity issues, the session was interrupted, and the case was rescheduled for 3rd April 2024.

The petitions are currently pending before the Hon'ble High Court of Delhi.

III. HIGH COURT OF PUNJAB AND HARYANA AT CHANDIGARH

44. CIVIL WRIT PETITION- PUBLIC INTEREST LITIGATION No. 190 of 2021: - MOGWLIAIDN SHREYA PAROPKARI & ORS. VS. STATE OF PUNJAB &

The above petition was filed by the Mowgliaid Animal Welfare Society in the High Court of Punjab and Haryana, challenging the inaction of the State of Haryana in providing funds, infrastructure, and other facilities for the establishment of animal infirmaries and shelters, as mandated under Rule 4(1) of the Prevention of Cruelty to Animals (Establishment and Regulation of Societies for Prevention of Cruelty to Animals) Rules, 2001. Multiple connected writ petitions, including CWP Nos. 14172, 14203, and others, were also filed against similar issues involving both the State of Haryana and the State of Punjab.

The petitioners contended that the State Governments had failed to adhere to the rules and notifications issued for the protection and welfare of animals, as outlined in the 2001 Rules. During the proceedings, the respondent States and the Animal Welfare Board of India (AWBI) submitted various affidavits indicating compliance with the rules. However, the petitioner expressed concerns that the respondents might revert to non-compliance after the disposal of the petitions.

On 20th January 2024, the Hon'ble High Court disposed of the petitions as infructuous, noting that the requisite infrastructure had been established. However, the Court directed that the State Governments remain bound by their assurances and continue to comply with the rules while ensuring periodic inspections and compliance reports as mandated under the law. All writ petitions were thus concluded, with the respondents' undertaking noted for future compliance.

The petition is disposed of.

45. CIVIL WRIT PETITION No. 24122 OF 2021: - COMPASSION FOR ANIMALS WELFARE ASSOCIATION VS. ANIMAL WELFARE BOARD OF INDIA & ORS

The above petition was filed by the petitioner against a letter from the Animal Welfare Board of India dated February 25, 2021, which restrained the organization from carrying out Animal Birth Control (ABC)/Sterilization and Anti-Rabies programs. The petitioner sought relief from the Punjab and Haryana High Court regarding this restriction.

After consideration, the High Court stayed the AWBI letter dated February 25, 2021, which required Animal Welfare Organizations (AWOs) to obtain fresh permissions for each project. Communication from the State of Punjab based on this circular was

also halted. The State Government was directed to ensure that the Animal Birth Control (Dogs) Rules, 2001, are implemented. A monitoring committee will ensure that agencies following ABC/AR programs meet legal requirements and guidelines. The Animal Welfare Board of India and the State of Punjab will provide updates on their actions to implement the Animal Birth Control (Dogs) Rules, 2001, and prevent dog bites and rabies.

The AWBI filed a status report in compliance with the court's earlier orders. However, the AWBI informed the court that the petition had become infructuous due to the new Animal Birth Control Rules, 2023, notified by the Union of India on March 10, 2023. Under these new rules, NGOs and operators involved in such programs must now register according to the updated requirements.

In light of the new regulations, the court disposed of the petition as infructuous, noting that the petitioner could revive the petition if any grievances remained. All miscellaneous applications were also disposed of as part of the final order.

The petition is disposed of.

46. CIVIL WRIT PETITION No. 8483 of 2023: - DR. ANKIT NARANG VS. UNION OF INDIA & ORS

The above petition was filed by the petitioner who was the lowest bidder in the tender process for the animal birth control programme in Amritsar, however, the work order could not be issued because of the adoption of new rules, which do not allow individual veterinary. The petitioner prayed for the inclusion of individual veterinarians in the new ABC rules, 2023.

On 24.04.2023, the learned counsel for the petitioner requested to withdraw the petition, stating the intent to challenge the Animal Birth Control Rules, 2023.

The petition was dismissed as withdrawn.

IV. HIGH COURT OF BOMBAY

47. WRIT PETITION (C) No. 1162 OF 2023: - SEAWOOD ESTATE LTD. & ORS V. UNION OF INDIA & ORS.

The present Writ Petition, titled *Seawood Estate Ltd. & Ors. vs. Union of India & Ors.*, has been filed before the Hon'ble High Court of Bombay, challenging the constitutional validity of the Animal Birth Control Rules, 2023. The petition specifically focuses on Rule 20, alleging that it violates fundamental rights enshrined under Articles 14, 19, and 21 of the Constitution of India, 1950, and questions the legislative competence of the said rules.

The petitioners have also sought various reliefs, including a declaration that Rule 20, as well as Rules 15 and 16, are unconstitutional for being repugnant to laws such as the Maharashtra Municipal Corporations Act, 1949, the Maharashtra Cooperative Societies Act, 1960, and the Companies Act, 2013. Additionally, they have prayed for the Hon'ble Court to issue directions to the respondents for addressing the issue of stray dogs and framing proper guidelines in this regard.

The Petition is presently pending in the Hon'ble High Court.

V. HIGH COURT OF TELANGANA AT HYDERABAD

48. SUOMOTO WRIT PETITION (PUBLIC INTEREST LITIGATION) 3 of 2023: - NEWS ITEM PUBLISHED IN THE "THE HINDU" ENGLISH DAILY VS. THE STATE OF TELANGANA AND ORS.

The Hon'ble Court is requested to issue a writ of Mandamus based on a news report from The Hindu dated February 22, 2023. The case concerns the tragic death of a four-year-old boy, Master Pradeep, who was mauled by stray dogs in Amberpet, Hyderabad, on February 19, 2023. The petition seeks an inquiry into the incident and calls for action by the authorities to prevent such threats to public safety from stray dogs, noting that no police case had been registered by the boy's parents. The plea is supported by CCTV footage showing the boy being attacked by the dogs while walking near an automobile workshop where his father worked.

The Hon'ble High Court has reviewed the news report, and orders were passed to ensure the safety of children. The Advocate General and other counsels representing the respondents presented their arguments. The petition aims to ensure that appropriate measures are taken by the authorities to prevent similar incidents in the future, safeguarding the lives of the public against stray dog attacks.

The present petition was disposed of.

VI. HIGH COURT OF KARNATAKA:

49. WRIT PETITION No.59270 OF 2013: - ANIMAL RIGHT FUND VS. AWBI & ORS.

The present Writ Petition (PIL) was filed by the Petitioner, challenging actions taken by the Animal Welfare Board of India (AWBI), asserting that the Board's inquiry into the petitioner's activities was unauthorized and unlawful. ARF, a trust registered under the Indian Trust Act, 1882, sought a declaration from the Karnataka High Court to nullify the AWBI's actions and alleged that the removal of certain evidence by the Board was an abuse of its power.

The case was heard by the Hon'ble Justice M. Nagaprasanna on March 18, 2024. During the hearing, the respondent's counsel filed a memo stating that the matter had become moot over time because ARF had already applied for renewal of its recognition from AWBI on May 27, 2022. The delay in proceedings meant that the original dispute was no longer relevant.

Given the passage of time and the current status of the petitioner's application, the Hon'ble High Court decided that no further intervention was necessary. The writ petition was dismissed as infructuous, though the court preserved ARF's right to pursue other legal remedies if required in the future.

The present petition was disposed of.

VII. HIGH COURT OF UTTARPRADESH;

50. WRIT PETITION (PIL) No. 589 OF 2022: - LOKESH KUMAR KHURANA VS. STATE OF UTTAR PRADESH & ORS. AT LUCKNOW BENCH

The present Writ Petition (PIL) was filed by the Petitioner regarding the recent incidents of deaths of several Gau Vansh due to either a lack of fodder or the provision of poisonous fodder, as well as for the strict compliance with the Guidelines provided for the establishment and regularization of temporary shelter homes for Gau Vansh at various levels, including Village Panchayat, State Panchayat, Nagar Panchayat, Nagar Palika, and Nagar Nigam, as issued in the government order dated January 2, 2019.

The Petition is presently pending in the Hon'ble High Court.

51. WRIT PETITION (PIL) No. 1390 OF 2022: - DR. PRIYANKA GUPTA VS. STATE OF UTTAR PRADESH & ORS.

The Writ Petition was filed by the Petitioners seeking directions for the Respondents to comply with the Uttar Pradesh State Municipal Act, 2020, and to remove stray dogs from residential societies and public spaces, such as parks frequented by citizens. The Petitioners base their request on dog bite incidents involving the children of Petitioners No. 1 and 8, as well as other non-impealed parties. The Animal Welfare Board of India (AWBI) impleaded itself as Respondent No. 4 to assist and advise the Hon'ble High Court in the ongoing matter.

The Hon'ble High Court allowed the AWBI to be impleaded and, by its order dated November 16, 2022, directed the State of Uttar Pradesh and the other respondents to file their responses to the allegations in the petition. The respondents were also instructed to disclose whether a complaint mechanism for stray dogs exists and how such complaints are managed. Additionally, the court sought details on the steps

taken to control the stray dog population and whether data on dog bite complaints and rabies cases has been collected.

The petition is currently pending before the Hon'ble High Court.

VIII. HIGH COURT OF KERALA:

52. WRIT PETITION (CIVIL) No. 10408 OF 2018: - K S SREKUMAR VS. AWBI & ORS.

The Writ Petition was filed by the Petitioners was filed seeking an order that Section 21 of the Prevention of Cruelty to Animals Act shall not apply to the shooting and telecast of the documentary in question. The petitioner also sought a declaration that pre-shoot permission is not necessary for the documentary. However, the Performing Animal Sub Committee (PASC) of the Animal Welfare Board of India (AWBI) denied the petitioner's request for the issuance of a certificate of registration (NOC).

The Hon'ble Court, upon examining the matter, held that the filming of the rescue operation of the elephant does not fall under the definitions of "exhibit" or "train" as per Section 21 of the Act. Therefore, prior permission under Rule 7 is not required. The Court quashed and set aside the NOC dated 03.11.2017. The Court directed the AWBI to review the contents of the documentary and issue a reasoned order after giving the petitioner an opportunity to be heard. This exercise must be completed by the AWBI by 05.01.2024

The present petition was disposed of.

53. WRIT PETITION (CIVIL) No. 7086 OF 2024: - WALKING EYE FOUNDATION FOR ANIMAL ADVOCACY VS. STATE OF KERALA

The Petitioner, Walking Eye Foundation for Animal Advocacy, is a trust dedicated to the rescue, treatment, and protection of stray animals, against several respondents including the Principal Chief Conservator (Wildlife) and Chief Wildlife Warden of Kerala. The petition challenged an order dated February 10, 2024, issued by the Principal Chief Conservator (Wildlife), which permitted the use of Kumki elephants to safely drive a Makhna elephant, which had caused a human fatality, back into the forest. If the operation failed, the order allowed for the capture of the elephant through tranquilization or drug shooting, following established guidelines and protocols.

The matter was heard on February 22, 2024, by the Hon'ble High Court of Kerala at Ernakulam, presided over by Hon'ble Chief Justice A.J. Desai and Hon'ble Justice V.G. Arun. The petitioner sought to prevent the chasing or tranquilizing of the elephant, alleging that it had already retreated into the deep forest and that

tranquilization might endanger the animal's life. In support of this argument, the petitioner referred to past incidents of harm caused by such actions.

However, the court observed that the petitioner failed to present any evidence substantiating the claim that the forest officials were still pursuing the elephant. The court also noted that the same issue was being addressed in another writ petition, W.P.(C) No. 13204 of 2021, which was pending before a different Division Bench, and that the petitioner was already a party in that case. The court further acknowledged that the concerned authorities had acted within the framework of the law, particularly Section 11(1)(a) of the Wildlife Protection Act, 1972, which allows for the hunting or capture of a wild animal if it poses a danger to human life or property.

After hearing both sides, the court concluded that the Principal Chief Conservator's order was lawful and in line with established procedures, emphasizing that the forest officials had prioritized the safety of both the animal and the local populace. Consequently, the petition was dismissed, with the court ruling that no further orders were required at this stage. The Court also indicated that the directions issued in the related writ petition, W.P.(C) No. 13204 of 2021, concerning the management of dangerous wild animals, would continue to guide the authorities.

The present petition was disposed of, and all pending interlocutory applications were closed.

54. WRIT PETITION (CIVIL) No. 17521 OF 2023: - SABU M JACOB VS. UOI & OTHERS

The petitioner, Sabu M. Jacob, sought various directives concerning the translocation and rehabilitation of a bull tusker named Arikomban. The petitioner argued that the translocation and capture of the elephant should be conducted with utmost care, minimizing trauma, and strictly following the statutory protocols under the Wildlife (Protection) Act, 1972. The petitioner emphasized that the tusker should be relocated to a deep forest range completely disconnected from its home range to prevent further conflicts with human settlements.

The petitioner challenged the actions of the Tamil Nadu authorities, arguing that they failed to ensure the animal's welfare and demanded that the elephant be handed over to the Kerala authorities for translocation within the state. However, the court found no factual or legal basis to support the petitioner's claims that the Tamil Nadu authorities acted negligently or caused harm to the elephant. The court noted that the statutory authority, the Chief Wildlife Warden of Tamil Nadu, had acted within his jurisdiction and followed the legal provisions outlined in the Wildlife (Protection) Act.

The Hon'ble Court dismissed the writ petition on May 31, 2023, holding that the petitioner failed to establish any illegality, unreasonableness, or impropriety in the decisions and actions of the Tamil Nadu authorities regarding the translocation of Arikomban. The court emphasized that the statutory authorities were empowered to make decisions in the best interest of wildlife and public safety, and no grounds were made to overturn or question their actions.

The present petition was disposed of.

55. WRIT PETITION (MD) No. 21081 OF 2014: - K SEVARAJ VS. AWBI

The present writ is seeking permission to conduct a cock-fight event at the Sri Kanavai Karupanna Sami Temple in Melakaal Village, Vadipatti Taluk, Madurai District, on December 28, 2014. The petitioner filed a writ under Article 226 of the Constitution of India, challenging the rejection of his request by the third respondent, the Sub Inspector of Police, Kaadupatti Police Station. He sought to quash the impugned order denying the permission and to compel the authorities to grant permission for the event.

The case was heard by a division bench comprising Hon'ble Justice D. Krishnakumar and Hon'ble Justice R. Vijayakumar. During the proceedings, it was noted that the primary relief sought by the petitioner—to conduct the cockfight on a specific date in 2014—had become moot due to the passage of time. As the event had already been scheduled for a date long past, the court found that the issue no longer required adjudication.

Further, the court dismissed the writ petition as infructuous, indicating that no further orders or costs were necessary. The dismissal underscores the principle that judicial relief is contingent upon current, live issues and that courts do not rule on matters that have become irrelevant or obsolete due to changes in circumstances. The case highlights the importance of timely adjudication and the limitations of judicial intervention in time-sensitive matters. The present petition was disposed of.

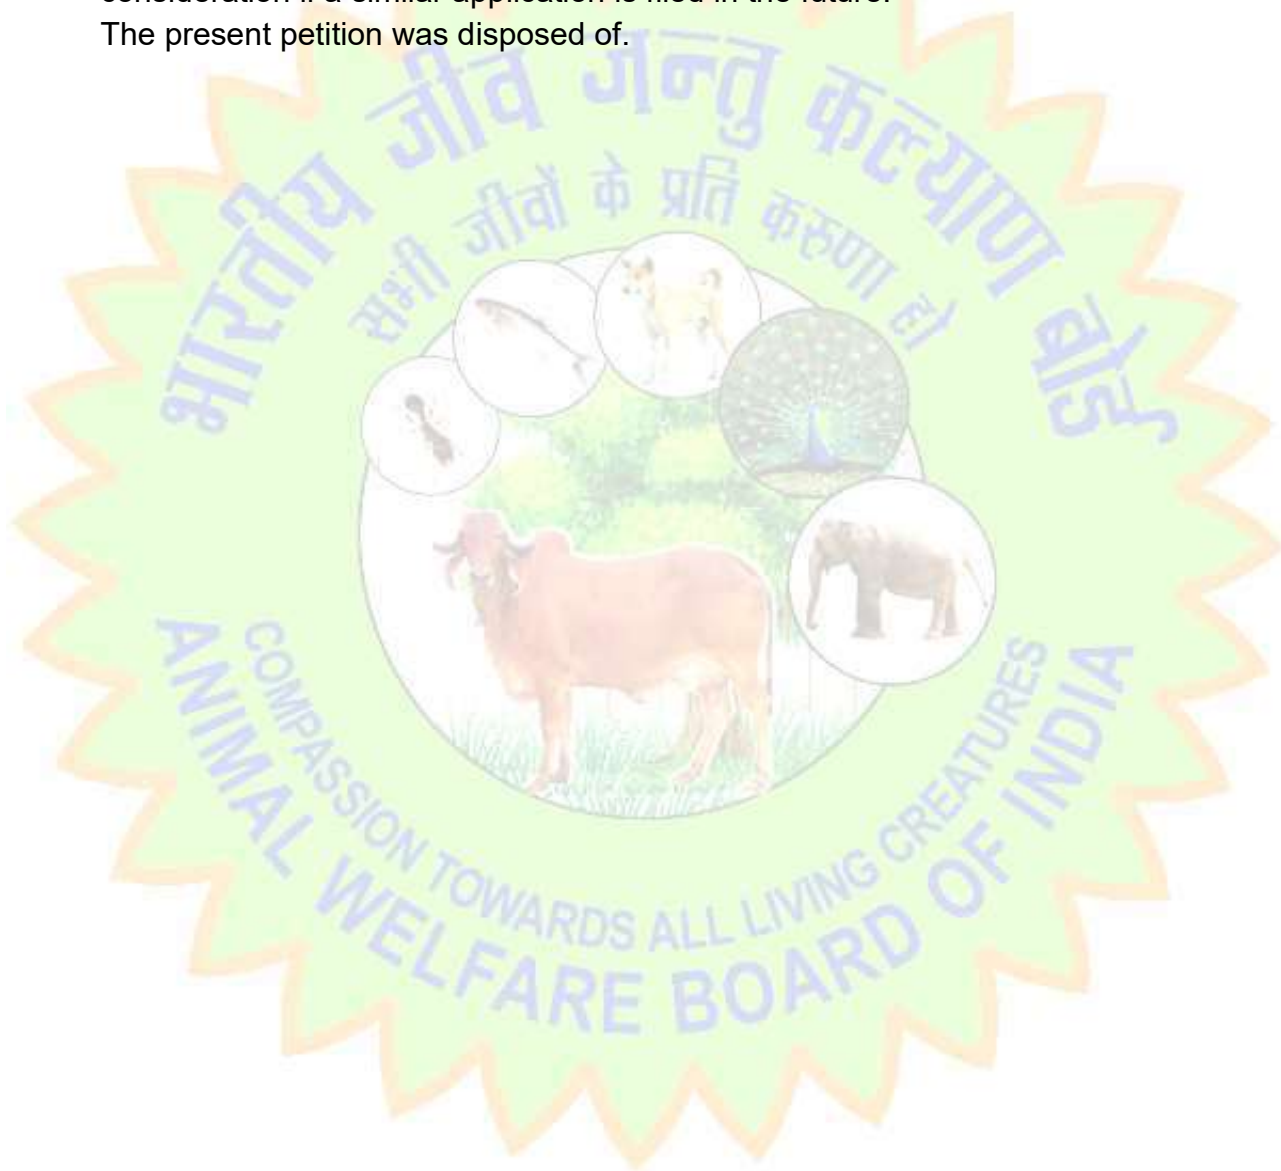

56. WRIT PETITION (CIVIL) NO. 36799 OF 2023: - APPUKUTTAN PILLAI VS STATE OF KERALA

The petitioner, Appukuttan Pillai, challenged the denial of permission to conduct a bull race, an event that had been scheduled for November 26, 2023. The petitioner, who serves as the Secretary of the Chirakkara Ela Samithi, had applied to the District Collector of Kollam for the requisite permission, which was denied on June 21, 2023. Several representations and applications were made to appeal this decision, but they were unsuccessful.

The petitioner sought intervention from the Kerala High Court, presenting various documents to support his case, including prior judgments and receipts of his applications. However, when the matter came before the Hon'ble Justice Devan Ramachandran on November 30, 2023, the Court noted that the event in question had already passed, rendering the petition moot in its immediate context.

The Hon'ble Court observed that although the bull race had already taken place, the legal questions raised by the petitioner could still be relevant in future applications. As such, the writ petition was closed, but the legal contentions were left open for consideration if a similar application is filed in the future.

The present petition was disposed of.

CONCLUSION

The Animal Welfare Board of India has completed 62 years of service in the promotion of animal welfare and prevention of cruelty to animals. During the year, the activities of the Board continued to extend throughout the country. The Board has conducted various programs to bring about awareness on animal welfare laws. The Board has been continuously engaged to save animals from cruelties meted out to them and to provide necessary help when it is found in distress through its recognized Animal Welfare Organizations / representatives. The number of AWBI recognized Animal Welfare Organisations has been increased and thus saving more animals from the cruelties being inflicted to them. The Board has been trying at its level best to address the issues pertaining to man-animal conflicts in a humane manner and standing forth to creating awareness about their co-existence. Lack of effective enforcement of the laws against cruelties inflicted to animals still needs more attention. The establishment of effective and functional Societies for Prevention of Cruelty to Animals (SPCAs) in each and every district of the country and robust State Animal Welfare Boards (SAWBs) in each state are the need of the hour and various correspondence are made with the officials of the State and District authorities.

The complaints being received by the Board are responded on priority by issuing correspondence to the authorities concerned or forwarded to the law enforcement agencies for their further action and to enforce the law and bring justice to the animals. Prompt and effective responses of the enforcement agencies of the State Governments, Local bodies, District Collectors and Secretaries to Government Department of Animal Husbandry, will definitely ensure that cruelties to animals will decline. The Board has utilized the grants-in-aid made available by the Government for providing welfare measures to the animals sheltered in the organizations. We have no doubt that with higher allocation of grants to the Board through effective utilization of fund and proper monitoring of schemes will help the Animal Welfare Organization to work more effectively for welfare of animals. The spreading of the message of love and compassion towards the animal kingdom is bound to be more expansive and effective. Thus, our animal friends can also live happily on the planet earth. Establishment of more and more animal welfare organizations will ensure proper care and management of stray animals. The AWOs should try and work towards their self sustainability to become viable so that they need not to be dependent for seeking funds from the Government agencies, thus, could reduce the number of stray cattle and other animals roaming on the roads.
