ii) **ABC PROJECT RECOGNITION FOR CARRYING OUT ANIMAL BIRTH CONTROL PROGRAMME**

The Central Government has notified the Animal Birth Control Rules, 2023, under which the responsibility for planning and implementing dog population management programmes rests with the concerned local bodies in accordance with the provisions of the Rules. The Rules emphasize anti-rabies vaccination and sterilization of stray dogs as the primary measures for humane population control and prevention of rabies.

Effective and sustained implementation of the Animal Birth Control (ABC) and Anti-Rabies (AR) programme by local bodies is recognized as the most rational and scientific method for managing street dog populations and controlling the incidence of rabies. Under this programme, stray dogs are captured, sterilized, vaccinated against rabies, and released back to their original locations. Sterilized dogs tend to become less aggressive and, being territorial in nature, remain within their locality, thereby preventing the influx of unsterilized dogs from neighbouring areas. The writ petitions have been filed by the Animal Welfare Board of India, challenging the notification dated 7th January 2016, issued by the Ministry of Environment, Forest and Climate Change. This notification, under the powers conferred by Section 22 of the Prevention of Cruelty to Animals Act, 1960, prohibited the exhibition or training of bulls as performing animals. However, an exception was made, allowing bulls to continue being trained for events such as Jallikattu in Tamil Nadu and Bullock Cart Races in Maharashtra, Karnataka, Punjab, Haryana, Kerala, and Gujarat, in accordance with customs and traditional practices.

Thereafter, a series of writ petitions, including W.P. (C) Nos. 23 of 2016, 24 of 2016, 25 of 2016, and others, along with SLP (C) Nos. 3528 of 2018 and 3526-3527 of 2018, were instituted before a Division Bench of the Supreme Court. These petitions challenged the legality of the said notification and sought compliance with the Court's earlier directions in the A. Nagaraja case.

The Hon'ble Court, on 2nd February 2018, referred the matter to the Chief Justice to constitute a Bench of five judges. The matter was briefly heard on the 6th, 7th, and 8th of December 2022 by this Constitution Bench. The detailed judgement has been uploaded on the AWBI's Website as also available on Hon'ble Supreme Court Website.

All the above petitions are disposed of.

- 25. SPECIAL LEAVE PETITION (C) NO. 17112 OF 2013 - AWBI VS. DIMPLE VAHARI OBEROI & ORS.**
- 26. CIVIL APPEAL NO.5988 OF 2019 - ANIMAL WELFARE BOARD OF INDIA VS. PEOPLE FOR ELIMINATION OF STRAY TROUBLES & ORS.**

The Animal Welfare Board of India (AWBI) filed a Special Leave Petition (SLP) in the Hon'ble Supreme Court of India to challenge the order passed by the Hon'ble High Court of Bombay. This order allowed the Municipal Commissioner to authorize the killing of "nuisance" dogs, which was contrary to the provisions of the Animal Birth Control (Dogs) Rules, 2001.

The Hon'ble Supreme Court stayed the operation of the Bombay High Court's final order dated 19th December 2008, and several subsequent orders have been issued since then. The Supreme Court permitted the filing of objections by proposed respondents, if they had not already been submitted, and granted applications for the deletion of certain respondents, as no relief was sought against them. In Civil Appeal Nos.5972/2019 and 6552/2019, the appellants were directed to serve the unserved respondents within four weeks. In Civil Appeal No.6552/2019, specific steps were ordered to be taken within four weeks due to the demise of Respondent No. 4. On 12th July 2023, the Court directed that copies of applications be exchanged among the parties, with intervenors invited to submit their suggestions. The appellants in other matters were given a final extension of four weeks to complete service, with instructions that any cases with incomplete service would be segregated before the next hearing, scheduled for 10th January 2024.

The Supreme Court observed that nearly thirty applications and six independent petitions had been filed seeking directions on the management of street dog populations, rabies eradication, and the reduction of human–dog conflict. Earlier, by an order dated 18 November 2015, all municipal bodies were directed to adhere to the Prevention of Cruelty to Animals Act, 1960 and the Animal Birth Control (Dogs) Rules, 2001, with the Animal Welfare Board of India (AWBI) responsible for ensuring compliance. However, despite this mandate, divergent views continued across High Courts—where Kerala upheld the central rules, other states interpreted the framework to grant broader discretion to local authorities. The legal landscape changed significantly after the Central Government notified the Animal Birth Control Rules, 2023, which supersede all earlier mechanisms. Considering the implementation of the 2023 Rules from 10 March 2023, the Supreme Court closed all pending proceedings, emphasizing that no indiscriminate killing of dogs can be permitted and all authorities must function in alignment with the humane and statutory principles governing street dog management. The Court also clarified that any fresh grievances with respect to the new rules or their application may be raised before appropriate constitutional or legal forums. All connected petitions and applications were accordingly disposed of, reiterating that compassion towards all living beings is a constitutional value and that the management of stray dogs must always comply with lawful and humane standards.

The SLP and other connected matters stands disposed of.

27. SPECIAL LEAVE PETITION CIVIL NO. 14763 OF 2024, CONFERENCE FOR HUMAN RIGHTS INDIA REGD. VS UNION OF INDIA AND ORS.

This petition has been filed against the final orders dated 18.08.2023 passed by the Hon'ble High Court of Delhi in Writ Petition (C) 12079 of 2019 regarding the sterilization and immunization of stray dogs.

The present matter is currently pending before the Supreme Court for further consideration tagged with the matter titled “City Hounded by Strays, Kids Pay Price”, Suo Motu Writ Petition (Civil) No. 5 of 2025.

LUMPY SKIN DISEASE

28. WRIT PETITION NO.872 OF 2022 - ASHUTOSH BANSAL VS. UNION OF INDIA & ORS.

29. WRIT PETITION NO.865 OF 2022 - ARYAVARTA MAHASABHA FOUNDATION VS. UNION OF INDIA & ORS.

The present writ petition (Civil) was filed by the petitioner solely in the interest of the nation, requesting that cows and cattle be protected from Lumpy Skin Disease (LSD), which is causing a significant number of deaths among cows and other cattle in many states across India. The petitioner also sought the enactment of legislation for the protection of cows and cattle, as well as the implementation of measures to combat Lumpy Skin Disease (LSDV) affecting them.

The Hon'ble Supreme Court, while considering this matter, issued a notice to the Union of India for the limited purpose of determining whether a National Health Plan has been formulated to prevent and cure the Lumpy Skin Disease Virus (LSDV) among cows and other cattle. The application for the impleadment of the Union of India through the Ministry of Fisheries, Animal Husbandry & Dairying, Department of Animal Husbandry & Dairying was listed on 13th February 2023 and was subsequently allowed.

The Hon'ble Supreme Court noted that the Union of India and the Animal Welfare Board of India, in their counter-affidavits, stated that the matter falls within the purview of the states. They further indicated that guidelines and policy circulars have been issued over time, resulting in approximately 8.16 crore cattle being vaccinated. Various states, including Rajasthan, Maharashtra, Madhya Pradesh, Gujarat, Haryana, Punjab and the National Capital Territory of Delhi, submitted counter-affidavits outlining measures taken to control the spread of LSDV. These measures included timely treatment, vaccination, disinfection, and the establishment of test laboratories. The states also provided information on their budgetary allocations and expenditures, which varied depending on cattle populations and financial conditions.

The Hon'ble Supreme Court acknowledged the efforts made by the states and concluded that the current proceedings could be closed, allowing the petitioner to approach the Central or State Governments for any related future issues. The Court expressed confidence that the State Governments would promptly address any concerns raised by the petitioner.

Regarding the petitioner's request for policy formulations on indigenous cows, the use of cow urine and dung, and the implementation of a Pashu Aadhar numerical database, the Court granted the petitioner the liberty to submit a comprehensive representation to the Union of India for appropriate policy decisions.

Accordingly, both writ petitions were disposed of, along with any pending applications.

II. HIGH COURT OF DELHI

Community Dog Feeding

30. WRIT PETITION (C) NO. 14157 OF 2022 - SAVITA MISHRA AND ORS VS COMMISSIONER OF POLICE AND ORS.

The above writ petition was filed by Savita Mishra and another party seeking directions to the respondents for facilitating the feeding of stray dogs in the locality of Jagriti Enclave, New Delhi, and to establish designated feeding spots for the dogs.

The Hon'ble High Court, in its order dated 27.07.2023, observed that the Central Government has implemented the Animal Birth Control Rules, 2023, under the Prevention of Cruelty to Animals Act, 1960, which include provisions for feeding community animals. Rule 20 of the said Rules outlines the responsibilities of local bodies and associations in designating feeding spots and times, and forming a committee to resolve conflicts regarding animal feeding. As statutory regulations are now in place, the court found no need for further orders and disposed of the writ petition. However, it granted the petitioners the liberty to pursue remedies under the Rules if aggrieved by any inaction from the concerned authorities.

The petition is disposed of.

31. WRIT PETITION (C) NO. 10743 of 2022 - YASHPAL MIGLANI VS M.C.D. AND ORS

The above writ petition was filed by the petitioners regarding the feeding of stray animals in the locality of Motia Khan, Paharganj, New Delhi, and the removal of an alleged illegal and unauthorized dog shelter house.

The petitioners contended that individuals were feeding stray animals and constructing temporary shelters in the area, which was causing nuisance and was opposed by the local residents. The Animal Welfare Board of India (AWBI) suggested the formation of an Animal Welfare Committee, as directed in the judgment of the Hon'ble High Court of Delhi in CS(OS) No. 277/2020, titled *Dr. Maya D. Chablani vs. Radha Mittal*.

34. WRIT PETITION NO. 8023 OF 2022 - DR. ASHER JESUDOSS & ORS. VS. GOVERNMENT OF NCT OF DELHI & ORS.

The above matter was filed by the plaintiff because the Government of Delhi has failed to fulfil its obligations regarding the inspection of pet shops, and the licensing regime has not been enforced. It is submitted that there is non-compliance with the Prevention of Cruelty to Animals Act, 1960, and the Wildlife (Protection) Act, 1972, as well as non-compliance with the statutory rules. It is also noted that the statutory bodies responsible for enforcing the provisions of the aforementioned Acts have not been constituted by the respondent.

The plaintiff filed the case against the Government of Delhi for its failure to inspect pet shops and enforce the licensing regime. There was non-compliance with the Prevention of Cruelty to Animals Act, 1960, the Wildlife (Protection) Act, 1972, and related statutory rules. Additionally, it was observed that the statutory bodies responsible for enforcing these provisions had not been established by the respondent.

The Hon'ble High Court, after detailed hearings vide its order dated 21st November 2022, directed the Government of NCT of Delhi (GNCTD) to inform the Court about how the Prevention of Cruelty to Animals (Pet Shop) Rules, 2018, are being implemented and enforced. However, in its order dated 14th March 2023, the Court noted that the GNCTD had failed to provide specific information on the enforcement of these rules. Consequently, the Court directed Director of the Animal Husbandry Unit Development Department of GNCTD, to appear before the Court with the original file related to the matter.

The Court has now directed the Secretary, Animal Husbandry, GNCTD to file a personal affidavit within one - week, detailing steps already taken and immediate steps planned to control illegal dog breeding. III. HIGH COURT OF PUNJAB AND HARYANA AT CHANDIGARH

43. CIVIL WRIT PETITION- PUBLIC INTEREST LITIGATION No. 190 of 2021 - MOWGLIAID SHREYA PAROPKARI & ORS. VS. STATE OF PUNJAB

The above petition was filed by the Mowgliaid Animal Welfare Society in the High Court of Punjab and Haryana, challenging the inaction of the State of Haryana in providing funds, infrastructure, and other facilities for the establishment of animal infirmaries and shelters, as mandated under Rule 4(1) of the Prevention of Cruelty to Animals (Establishment and Regulation of Societies for Prevention of Cruelty to Animals) Rules, 2001. Multiple connected writ petitions, including CWP Nos. 14172, 14203 and others, were also filed against similar issues involving both the State of Haryana and the State of Punjab.

The petitioners contended that the State Governments had failed to adhere to the rules and notifications issued for the protection and welfare of animals, as outlined in the 2001 Rules. During the proceedings, the respondent States and the Animal Welfare Board of India (AWBI) submitted various affidavits indicating compliance with the rules. However, the petitioner expressed concerns that the respondents might revert to non-compliance after the disposal of the petitions.

On 20th January 2024, the Hon'ble High Court disposed of the petitions as infructuous, noting that the requisite infrastructure had been established. However, the Court directed that the State Governments remain bound by their assurances and continue to comply with the rules while ensuring periodic inspections and compliance reports as mandated under the law. All writ petitions were thus concluded, with the respondents' undertaking noted for future compliance.

The petition is disposed of.

44. CIVIL WRIT PETITION No. 24122 OF 2021 - COMPASSION FOR ANIMALS WELFARE ASSOCIATION VS. ANIMAL WELFARE BOARD OF INDIA & ORS

The above petition was filed by the petitioner against a letter from the Animal Welfare Board of India dated February 25, 2021, which restrained the organization from carrying out Animal Birth Control (ABC)/Sterilization and Anti-Rabies programs. The petitioner sought relief from the Punjab and Haryana High Court regarding this restriction.

After consideration, the High Court stayed the AWBI letter dated February 25, 2021, which required Animal Welfare Organizations (AWOs) to obtain fresh permissions for each project. Communication from the State of Punjab based on this circular was also halted. The State Government was directed to ensure that the Animal Birth Control (Dogs) Rules, 2001, are

implemented. A monitoring committee will ensure that agencies following ABC/AR programs meet legal requirements and guidelines. The Animal Welfare Board of India and the State of Punjab will provide updates on their actions to implement the Animal Birth Control (Dogs) Rules, 2001, and prevent dog bites and rabies.

The AWBI filed a status report in compliance with the court's earlier orders. However, the AWBI informed the court that the petition had become infructuous due to the new Animal Birth Control Rules, 2023, notified by the Union of India on March 10, 2023. Under these new rules, NGOs and operators involved in such programs must now register according to the updated requirements.

In light of the new regulations, the court disposed of the petition as infructuous, noting that the petitioner could revive the petition if any grievances remained. All miscellaneous applications were also disposed of as part of the final order.

The petition is disposed of.

45. CIVIL WRIT PETITION No. 8483 of 2023 - DR. ANKIT NARANG VS. UNION OF INDIA & ORS

The above petition was filed by the petitioner who was the lowest bidder in the tender process for the Animal Birth Control Programme in Amritsar, however, the work order could not be issued because of the adoption of new rules, which do not allow individual Veterinarians. The petitioner prayed for the inclusion of individual Veterinarians in the new ABC Rules, 2023.

On 24.04.2023, the learned counsel for the petitioner requested to withdraw the petition, stating the intent to challenge the Animal Birth Control Rules, 2023.

The petition was dismissed as withdrawn.

The petition was filed by The Peedu's People Welfare Society (NGO) as a Public Interest Litigation (PIL) against the Union of India and others.

The PIL's main concern was cruelty to animals, specifically raising issues under the Prevention of Cruelty to Animals Act, 1960 and the use of Oxytocin, a drug allegedly used to increase milk production in cattle.

The petitioner had previously submitted multiple complaints and representations to various authorities but received no action. Therefore, the NGO approached the court seeking intervention.

During the hearing, the Court noted that statutory bodies such as the Animal Welfare Board of India, Animal Welfare Board, Punjab, and Animal Welfare Board, Haryana already exist and are responsible for addressing such grievances.

The petition stands disposed of.

IV. HIGH COURT OF BOMBAY

48. WRIT PETITION (C) No. 1162 OF 2023 - SEAWOOD ESTATE LTD. & ORS V. UNION OF INDIA & ORS.

The present Writ Petition, titled *Seawood Estate Ltd. & Ors. vs. Union of India & Ors.*, has been filed before the Hon'ble High Court of Bombay, challenging the constitutional validity of the Animal Birth Control Rules, 2023. The petition specifically focuses on Rule 20, alleging that it violates fundamental rights enshrined under Articles 14, 19, and 21 of the Constitution of India, 1950, and questions the legislative competence of the said rules.

The petitioners have also sought various reliefs, including a declaration that Rule 20, as well as Rules 15 and 16, are unconstitutional for being repugnant to laws such as the Maharashtra Municipal Corporations Act, 1949, the Maharashtra Cooperative Societies Act, 1960, and the Companies Act, 2013. Additionally, they have prayed for the Hon'ble Court to issue directions to the respondents for addressing the issue of stray dogs and framing proper guidelines in this regard.

The Petition is presently pending in the Hon'ble High Court.

49. PUBLIC INTEREST LITIGATION NO. 58 OF 2024 ANIMAL RESCUE TRUST THROUGH VINEETA TANDON VERSUS UNION OF INDIA & ORS.

In this petition, the petitioner, which is a non-Government organization and is running a dog shelter, has assailed the validity of Notification dated 12th March 2024 issued by the Animal Husbandry and Dairying Department, Union of India, by which, 23 dog breeds have been declared to be dangerous and ferocious and have been prohibited for import, breeding, selling as pet dogs and other purposes.

Learned counsel for respondent No. 1, on instructions, submitted that the Union of India presently is not acting upon the aforesaid notification and has issued a public notice dated 2nd May 2024 inviting objections. It was further submitted that after consideration of the objections, a suitable decision in this regard shall be taken.

In view of the order dated 24th January 2025, Mr. Varun Vij, the learned counsel for the petitioner endeavors to raise further grounds which cannot be taken cognizance of in the present proceedings. The Court held that such new grounds cannot be considered in the present proceedings. The Public interest Litigation was dismissed. The petition stands disposed of.

V. HIGH COURT OF TELANGANA AT HYDERABAD

50. SUO MOTO WRIT PETITION (PUBLIC INTEREST LITIGATION) 3 of 2023: - NEWS ITEM PUBLISHED IN “THE HINDU” ENGLISH DAILY VS. THE STATE OF TELANGANA AND ORS.

The Hon'ble Court is requested to issue a writ of Mandamus based on a news report from The Hindu dated February 22, 2023. The case concerns the tragic death of a four-year-old boy, Master Pradeep, who was mauled by stray dogs in Amberpet, Hyderabad, on February 19, 2023. The petition seeks an inquiry into the incident and calls for action by the authorities to prevent such threats to public safety from stray dogs, noting that no police case had been registered by the boy's parents. The plea is supported by CCTV footage showing the boy being attacked by the dogs while walking near an automobile workshop where his father worked.

The Hon'ble High Court has reviewed the news report, and orders were passed to ensure the safety of children. The Advocate General and other counsels representing the respondents presented their arguments. The petition aims to ensure that appropriate measures are taken by the authorities to prevent similar incidents in the future, safeguarding the lives of the public against stray dog attacks.

The present petition was disposed of.

VI. HIGH COURT OF KARNATAKA

51. WRIT PETITION No. 59270 OF 2013 - ANIMAL RIGHT FUND VS. AWBI & ORS.

The present Writ Petition (PIL) was filed by the Petitioner, challenging actions taken by the Animal Welfare Board of India (AWBI), asserting that the Board's inquiry into the petitioner's activities was unauthorized and unlawful. ARF, a trust registered under the Indian Trust Act, 1882, sought a declaration from the Karnataka High Court to nullify the AWBI's actions and alleged that the removal of certain evidence by the Board was an abuse of its power.

The case was heard by the Hon'ble Justice M. Nagaprasanna on March 18, 2024. During the hearing, the respondent's counsel filed a memo stating that the matter had become moot over time because ARF had already applied for renewal of its recognition from AWBI on May 27, 2022. The delay in proceedings meant that the original dispute was no longer relevant.

Given the passage of time and the current status of the petitioner's application, the Hon'ble High Court decided that no further intervention was necessary. The writ petition was dismissed as infructuous, though the court preserved ARF's right to pursue other legal remedies if required in the future.

The present petition was disposed of.

52. WRIT PETITION NO. 29002 OF 2024- SAVE OUR ANIMALS CHARITABLE TRUST (SOACT) & ORS VS UNION OF INDIA & ORS.

The present Writ Petition is being filed in public interest, seeking urgent intervention of this Hon'ble Court to prevent illegal, arbitrary and unscientific measures adopted by the Respondent authorities in relation to street dogs in Bengaluru, specifically the issuance of the Request for Proposal (RFP) dated 29.02.2024 bearing No. BBMP/2023/24/SE0495 for the procurement and implantation of microchips in stray dogs. The impugned tender has been issued without any legal authority or statutory backing under the Prevention of Cruelty to Animals Act, 1960, the Animal Birth Control Rules, 2023, or any orders of the Hon'ble Supreme Court. The microchipping project is being executed as a pilot project in Bengaluru in violation of mandatory animal welfare safeguards, scientific standards and due procedure established under law.

The petitioners submit that the microchipping of street dogs has neither been recommended nor recognized as a component of the legally mandated Animal Birth Control (ABC) programme under the ABC Rules, 2023. The actions of the Respondents are causing grave physical and psychological harm to the street dogs, with no public consultation, transparency, veterinary justification, or regulatory oversight. Despite warnings and directions issued by the Animal Welfare Board of India (AWBI) through letters dated 19.03.2024 and 01.08.2024 directing the suspension of the project and compliance with statutory safeguards, the Respondents have failed to adhere to them, resulting in blatant disregard for the rule of law.

Further, serious complaints have been raised regarding irregularities in tender processes, illegal expenditure of public funds, absence of infrastructure and certification requirements for NGOs engaged in ABC operations, and large-scale cruelty due to unregulated implementation. There is an immediate need for judicial intervention to restrain the Respondents from proceeding with the illegal project, to protect the welfare of street dogs, and to enforce compliance with statutory mandates and binding orders of the Hon'ble Supreme Court in SLP 691/2009.

It is therefore in the interest of justice, equity and humane treatment of animals that this Hon'ble Court is prayed to issue appropriate writs and directions to quash the impugned RFP, stay the unlawful microchipping programme, ensure strict implementation of the Prevention of Cruelty to Animals Act, the ABC Rules and AWBI directions and to safeguard the fundamental rights of animals as recognized under Article 21 of the Constitution of India.

The Supreme Court had directed the Registry to seek information about such writ petitions pending before various courts, and thereafter, the said petitions be transferred to the Supreme Court for analogous consideration along with the main matter. In view of the above, further consideration of the petition is deferred. No further orders are required to be passed by this court in this petition.

Originally filed in the Karnataka High Court, it has now been transferred to the Supreme Court of India for further consideration tagged with the matter titled "City Hounded by Strays, Kids Pay Price", Suo Motu Writ Petition (Civil) No. 5 of 2025.

VII. HIGH COURT OF UTTAR PRADESH

53. WRIT PETITION (PIL) No. 589 OF 2022 - LOKESH KUMAR KHURANA VS. STATE OF UTTAR PRADESH & ORS. AT LUCKNOW BENCH

The present Writ Petition (PIL) was filed by the Petitioner regarding the recent incidents of deaths of several Gau Vansh due to either a lack of fodder or the provision of poisonous fodder, as well as for the strict compliance with the Guidelines provided for the establishment and regularization of temporary shelter homes for Gau Vansh at various levels, including Village Panchayat, State Panchayat, Nagar Panchayat, Nagar Palika, and Nagar Nigam, as issued in the government order dated January 2, 2019.

The Petition is presently pending in the Hon'ble High Court.

54. WRIT PETITION (PIL) No. 1390 OF 2022 - DR. PRIYANKA GUPTA VS. STATE OF UTTAR PRADESH & ORS.

The Writ Petition was filed by the Petitioners seeking directions for the Respondents to comply with the Uttar Pradesh State Municipal Act, 2020, and to remove stray dogs from residential societies and public spaces, such as parks frequented by citizens. The Petitioners base their request on dog bite incidents involving the children of Petitioners No. 1 and 8, as well as other non-impealed parties. The Animal Welfare Board of India (AWBI) impleaded itself as Respondent No.4 to assist and advise the Hon'ble High Court in the ongoing matter.

The Hon'ble High Court allowed the AWBI to be impleaded and, by its order dated November 16, 2022, directed the State of Uttar Pradesh and the other respondents to file their responses to the allegations in the petition. The respondents were also instructed to disclose whether a complaint mechanism for stray dogs exists and how such complaints are managed. Additionally, the Court sought details on the steps taken to control the stray dog population and whether data on dog bite complaints and rabies cases has been collected.

Originally filed in the Uttar Pradesh High Court, it has been transferred to the Supreme Court of India for further consideration tagged with the matter titled "City Hounded by Strays, Kids Pay Price", Suo Motu Writ Petition (Civil) No. 5 of 2025.

55. PUBLIC INTEREST LITIGATION NO.1030 OF 2025 VINEET SHARMA & OTHERS. VS. STATE OF UP & ORS.

The present writ petition has been filed in public interest to address the grave and escalating issue of the unchecked population of monkeys in Ghaziabad, which has resulted in severe threats to public safety, animal welfare, and ecological balance. The menace caused by monkeys has led to frequent incidents of injuries to citizens, disruption of daily life, extensive damage to public and private property, and rising human-animal conflict. The problem has intensified due to lack of adequate intervention, absence of a scientific management plan, shrinking green cover, and insufficient infrastructure for rescue, treatment and rehabilitation of monkeys and other stray animals.

Despite repeated representations made by the petitioner to the authorities, including Ghaziabad Nagar Nigam, requesting immediate action and implementation of lawful and

humane measures such as sterilization, rescue, rehabilitation, and relocation based on expert guidance, the authorities have failed to take any effective steps or even respond to the concerns raised. Such inaction is arbitrary, unreasonable, and violative of the fundamental rights guaranteed under Article 21 of the Constitution of India, affecting both human and animal life.

In the absence of any alternate efficacious remedy, the petitioner is constrained to invoke the extraordinary jurisdiction of this Hon'ble Court under Article 226 of the Constitution, seeking appropriate directions to compel the authorities to perform their statutory obligations and implement scientific and humane measures to resolve the crisis in a time-bound manner.

A counter affidavit has been filed on behalf of the Animal Welfare Board of India on last date i.e 30.10.2025.

The Petition is presently pending in the Hon'ble High Court.

VIII. HIGH COURT OF KERALA

56. WRIT PETITION (CIVIL) No. 10408 OF 2018: - K S SREKUMAR VS. AWBI & ORS.

The Writ Petition was filed by the Petitioners seeking an order that Section 21 of the Prevention of Cruelty to Animals Act shall not apply to the shooting and telecast of the documentary in question. The petitioner also sought a declaration that pre-shoot permission is not necessary for the documentary. However, the Performing Animal Sub Committee (PASC) of the Animal Welfare Board of India (AWBI) denied the petitioner's request for the issuance of a certificate of registration (NOC).

The Hon'ble Court, upon examining the matter, held that the filming of the rescue operation of the elephant does not fall under the definitions of "exhibit" or "train" as per Section 21 of the Act. Therefore, prior permission under Rule 7 is not required. The Court quashed and set aside the NOC dated 03.11.2017. The Court directed the AWBI to review the contents of the documentary and issue a reasoned order after giving the petitioner an opportunity to be heard. This exercise must be completed by the AWBI by 05.01.2024.

The present petition was disposed of.

57. WRIT PETITION (CIVIL) No. 17521 OF 2023 - SABU M JACOB VS. UOI & ORS.

The petitioner, Sabu M. Jacob, sought various directives concerning the translocation and rehabilitation of a bull tusker named Arikomban. The petitioner argued that the translocation and capture of the elephant should be conducted with utmost care, minimizing trauma, and strictly following the statutory protocols under the Wildlife (Protection) Act, 1972. The petitioner emphasized that the tusker should be relocated to a deep forest range completely disconnected from its home range to prevent further conflicts with human settlements.

The petitioner challenged the actions of the Tamil Nadu authorities, arguing that they failed to ensure the animal's welfare and demanded that the elephant be handed over to the Kerala authorities for translocation within the state. However, the court found no factual or legal basis to support the petitioner's claims that the Tamil Nadu authorities acted negligently or caused harm to the elephant. The Court noted that the statutory authority, the Chief Wildlife Warden of Tamil Nadu, had acted within his jurisdiction and followed the legal provisions outlined in the Wildlife (Protection) Act.

The Hon'ble Court dismissed the writ petition on May 31, 2023, holding that the petitioner failed to establish any illegality, unreasonableness, or impropriety in the decisions and actions of the Tamil Nadu authorities regarding the translocation of Arikomban. The court emphasized that the statutory authorities were empowered to make decisions in the best interest of wildlife and public safety, and no grounds were made to overturn or question their actions.

The present petition was disposed of.

58. WRIT PETITION (CIVIL) NO. 36799 OF 2023 - APPUKUTTAN PILLAI VS STATE OF KERALA

The petitioner, Appukuttan Pillai, challenged the denial of permission to conduct a bull race, an event that had been scheduled for November 26, 2023. The petitioner, who serves as the Secretary of the Chirakkara Ela Samithi, had applied to the District Collector of Kollam for the requisite permission, which was denied on June 21, 2023. Several representations and applications were made to appeal this decision, but they were unsuccessful.

The petitioner sought intervention from the Kerala High Court, presenting various documents to support his case, including prior judgments and receipts of his applications. However, when the matter came before the Hon'ble Justice Devan Ramachandran on November 30, 2023, the Court noted that the event in question had already passed, rendering the petition moot in its immediate context.

The Hon'ble Court observed that although the bull race had already taken place, the legal questions raised by the petitioner could still be relevant in future applications. As such, the writ petition was closed, but the legal contentions were left open for consideration if a similar application is filed in the future.

The present petition was disposed of.

59. WRIT PETITION (CIVIL) No. 7086 OF 2024 - WALKING EYE FOUNDATION FOR ANIMAL ADVOCACY VS. STATE OF KERALA

The Petitioner, Walking Eye Foundation for Animal Advocacy, is a trust dedicated to the rescue, treatment, and protection of stray animals, against several respondents including the Principal Chief Conservator (Wildlife) and Chief Wildlife Warden of Kerala. The petition challenged an order dated February 10, 2024, issued by the Principal Chief Conservator (Wildlife), which permitted the use of Kumki elephants to safely drive a Makhna elephant, which had caused a

human fatality, back into the forest. If the operation failed, the order allowed for the capture of the elephant through tranquilization or drug shooting, following established guidelines and protocols.

The matter was heard on February 22, 2024, by the Hon'ble High Court of Kerala at Ernakulam, presided over by Hon'ble Chief Justice A.J. Desai and Hon'ble Justice V.G. Arun. The petitioner sought to prevent the chasing or tranquilizing of the elephant, alleging that it had already retreated into the deep forest and that tranquilization might endanger the animal's life. In support of this argument, the petitioner referred to past incidents of harm caused by such actions.

However, the court observed that the petitioner failed to present any evidence substantiating the claim that the forest officials were still pursuing the elephant. The court also noted that the same issue was being addressed in another writ petition, W.P.(C) No. 13204 of 2021, which was pending before a different Division Bench, and that the petitioner was already a party in that case. The court further acknowledged that the concerned authorities had acted within the framework of the law, particularly Section 11(1)(a) of the Wildlife Protection Act, 1972, which allows for the hunting or capture of a wild animal if it poses a danger to human life or property.

After hearing both sides, the court concluded that the Principal Chief Conservator's order was lawful and in line with established procedures, emphasizing that the forest officials had prioritized the safety of both the animal and the local populace. Consequently, the petition was dismissed, with the court ruling that no further orders were required at this stage. The Court also indicated that the directions issued in the related writ petition, W.P.(C) No. 13204 of 2021, concerning the management of dangerous wild animals, would continue to guide the authorities.

The present petition was disposed of, and all pending interlocutory applications were closed.

CONCLUSION

The Animal Welfare Board of India has completed 63 years of service in the promotion of animal welfare and prevention of cruelty to animals. During the year, the activities of the Board continued to extend throughout the country. The Board has conducted various programs to bring about awareness on animal welfare laws. The Board has been continuously engaged to save animals from cruelties meted out to them and to provide necessary help when it is found in distress through its recognized Animal Welfare Organizations/representatives. The number of AWBI recognized Animal Welfare Organisations has been increased and thus saving more animals from the cruelties being inflicted to them. The Board has been trying at its level best to address the issues pertaining to man-animal conflict in a humane manner and standing forth to creating awareness about their co-existence. Lack of effective enforcement of the laws against cruelties inflicted to animals still needs more attention. The establishment of effective and functional Societies for Prevention of Cruelty to Animals (SPCAs) in each and every district of the country and robust State Animal Welfare Boards (SAWBs) in each state are the need of the hour and various correspondence are made with the officials of the State and District authorities.

The complaints being received by the Board are responded on priority by issuing correspondence to the concerned authorities or forwarded to the law enforcement agencies for their further action and to enforce the law and bring justice to the animals. Prompt and effective responses of the enforcement agencies of the State Governments, Local bodies, District Collectors and Secretaries to Government Department of Animal Husbandry, will definitely ensure that cruelties to animals will decline. The Board has utilized the grants-in-aid made available by the Government for providing welfare measures to the animals sheltered in the organizations. We have no doubt that with higher allocation of grants to the Board through effective utilization of fund and proper monitoring of schemes will help the Animal Welfare Organization to work more effectively for welfare of animals. The spreading of the message of love and compassion towards the animal kingdom is bound to be more expansive and effective. Thus, our animal friends can also live happily on the planet earth. Establishment of more and more animal welfare organizations will ensure proper care and management of stray animals. The AWOs should try and work towards their self-sustainability to become viable so that they need not to be dependent for seeking funds from the Government agencies, thus, could reduce the number of stray cattle and other animals roaming on the roads.

B. Balance Sheet

Asset Rs.953.84 lakh

Fixed Asset (Schedule 8): Rs.142.58 lakh

The Board has released an amount of Rs.4.00 lakh during 2021 for preparing the modules for Gaushala Online Training to the College of Veterinary and Animal Sciences, G.B. Pant University of Agriculture and Technology, Pantnagar, Uttarakhand (the College). As per the terms and conditions stipulated in sanctioning letter dated 03.08.2021, the Assets were to be handed over to the Board.

This is being pointed out in audit since the year 2021-22 that, the amount was booked as administrative expenditure, in the accounts for the year 2021-22, instead of booking the same as advance. In the previous year 2023-24, the Board had replied that the utilization certificate from the College was awaited. However, though the utilization certificate received from the College in the current year according to which the work has been completed at a cost ₹2.85 lakh and the balance amount or ₹1.15 lakh is lying with it, no correction entries have been made by the Board. This resulted in understatement of software by ₹1.71 lakh (₹2.85 lakh less depreciation at rate of 10 per cent per annum, ₹1.14 lakh), receivables by ₹1.15 lakh and understatement of corpus fund by ₹2.86 lakh.

Besides, deficit of the current year was understated by ₹1.14 lakh to the extent of depreciation not booked in the current year accounts.

C. Income and Expenditure Account

Expenditure

Other Administrative Expenses (Schedule-21): ₹88.74 lakh

National Institute of Technology (NIT), Delhi raised a bill amounting to ₹17.11 lakh (in the month of March 2025), for the structural audit of buildings/structures of The Board conducted by it. The payment against the bill raised was made during 2025-26, Provision for this expenditure should have been made in the accounts for 2024-25, however no such provision was made. This has resulted in understatement of Administrative & Office Expenses as well as Current Liabilities by ₹17.11 lakh.

D. Receipt and Payment Account

Payments

Expenses

Establishment Expenses

As per the ledger maintained of NPS Board Contribution, total payments made during the year 2024-25 were ₹9.44 lakh, however in the payment side of the Receipts and Payments account, payment amounting to ₹6.66 lakh, only was recorded. It has been observed that, neither the receipt, of arrears NPS contributions of an employee amounting to ₹2.78 lakh (for the period November 2018 to April 2022), nor its remittance, to the National Securities Depository Limited², was recorded in the Receipts & payments Account. This needs to be reconciled.

Further NPS payment should be shown distinctly and all NPS contribution collected should be deposited NSDL immediately.

E. General

E.1 Contributory Provident Fund Liabilities: ₹190.48 lakh

As per the abstract of broadsheet supplied by AWBI, total Contributory Provident Fund (CPF) liability as on 31 March 2025 was ₹204.80 lakh. However, as per the separate Balance Sheet of CPF Funds attached, assets liabilities on account of CPF funds have been depicted for ₹190.42 lakh, instead off ₹204.80 lakh. This needs to be reconciled. The issue of understatement of CPF balances is being repeatedly pointed out in audit since 2020-21 and the Board was repeatedly justifying that the CPF is giving higher rates of interest to subscribers which is liability for the Board, than the return on the investment made of fund in the State Bank of India FDRs. However, in current year, the Board has given assurance that it has initiated necessary steps to comprehensively reconcile the CPF broadsheet and the separate CPF Balance Sheet.

E.2 Assets

Fixed Assets (Schedule-8): ₹142.58 lakh

Accounting Standard 10 stipulates that Material items retired from active use and held for disposal should be stated at the lower of their net book value and net realizable value

and disclosed separately in the financial statements. Valuation of these articles included in the fixed assets could not be verified in audit.

Above included 45 nos. of unserviceable articles held by the Board, comprising of items such as CPUs, Monitors, Fan, Machines, Printers, Scanners, Vehicle etc. The Board has not ascertained the net book value or the net realizable value of these unserviceable items, nor were they shown separately in the accounts contravening aforesaid instructions contained in the prescribed format.

Above observation is being pointed out since the year 2022-23 and the AWBI has repeatedly replied that the items would be processed for condemnation. However, no compliance has been made till date.

F. Management Letter

Deficiencies which have not been included in this Separate Audit Report have been brought to the notice of the Management through a Management Letter issued separately for remedial/corrective action.

G. Assessment of Internal Controls

G.1 Adequacy of Internal Audit system:

As informed by the Board, its internal audit is being conducted by the Ministry (Ministry of Fisheries, Animal Husbandry & Dairying, Government of India) generally once every two years. The last two internal audits were conducted for the periods 2018–22 and 2022-24 respectively.

G.2 Adequacy of Internal Control System:

Internal Control System is found to be inadequate to following extent:

- (i) The Board is exempted from the payment of income tax; however, the TDS³ is being deducted by the bank on the interest income on its Fixed Deposits kept with the bank. On being pointed out in audit, the Board has replied that efforts will be made to avoid such deductions in future and action is also being initiated to seek refund of TDS already deducted from the Income Tax Department.
- (ii) Though the Board maintained Fixed Deposit Register for recording the transactions of Fixed Deposits made/ encashed during the year 2024 -25. However, it has not prepared the abstract of fixed deposits showing fixed deposits running as on 31 March 2025; interest accrued thereon upto 31 March 2025 and interest earned on fixed deposits during the year 2024-25. This observation is being pointed out in audit since the year 2020-21. In the previous the Board had replied it has updated investment register. However, the compliance is pending.
- (iii) The Board has invested the whole amount of the Provident Fund in the bank Fixed Deposits and Savings accounts. The Board has not been following the pattern of investment prescribed by the Government of India, Ministry of Finance, despite pointing out in the previous Separate Audit Reports since 2018-19, however no action has been taken in this regard.

- (iv) Accounting manual was not prepared though being pointed out in audit since the year 2018-19. In the previous, the Board had replied that it will prepare its accounting manual. However, the compliance is pending.

G.3 Adequacy of system of physical verification of fixed assets

Physical verifications of fixed assets and library books were conducted.

G.4 Adequacy of system of physical verification of inventories

Physical verification of inventories has been conducted during the period covered under audit.

G.5 Regularity in payment of statutory due

The Board has not obtained registration under the Goods and Services Tax (GST) and consequently, it is not collecting and depositing GST on the processing fees collected for registration of performing animals.

The Board has collected processing fees aggregating 1219.31 lakhs during the period between July 2017 to March 2025. GST leviable on this collected amount been worked out at Rs. 219.48 lakh (at the applicable rates of 18 per cent).

This irregularity has been repeatedly pointed out since 2001-22. In the previous year 2023-24, the Board has replied that the audit observations will be communicated to the Ministry and appropriate action will be taken. Similar assurance has been given by the Board in current year also.

H. Grant-in-Aid

H.1 The position of grant in aid of the Board as on 31 March 2025 was as under:

(Amount in ₹ lakhs)

5	Less: Grant utilized	88.74	290.35	39.98	-	30.25	-	449.32
6	Less: Interest deposited	1.04	1.96	0.27	-	0.13	-	3.4
7	Total Payments	89.78	292.31	40.25	0	30.38	0	452.72
8	Closing Balances	44.32	18.82	62.83	36.00	84.79	17.11	263.87

H.2 As per financial position given at point at Sl.No.H.1 above, establishment expenses and other administrative expenses were ₹290.35 lakh and ₹88.74 lakh, respectively (as per the Income and Expenditure Account), total being ₹379.09 lakh. However, the Board has also provided details of these expenses of ₹287.06 lakh and ₹93.28 lakh, respectively, total being ₹380.34 lakh.

On being pointed out, the Board has admitted the closing grant balance of grants at ₹263.87 lakh and stated that necessary corrections, wherever required, shall be carried out to align the grant balances with the audited figures.

H.3 Out of the grant received for preparing module for Gaushala Online Training the amounting to ₹4.00 lakh (during the year 2021), an expenditure of ₹2.85 lakh was incurred, leaving an unspent balance of ₹1.15 lakh as on 31.03.2025.
